Dear Parents,

Beginning this spring and continuing to the end of the year, your child will receive Sexual Health Education as part of the CPS Sexual Health Education policy. The Chicago Public Schools acknowledge that parents are the primary sexuality educators for their child and Decatur Classical School is committed to partnering with parents to provide supplementary instruction to students via the sexual health education lessons.

In alignment with Illinois State Code 105 ILCS 110/3 (No pupil shall be required to take or participate in any class or course on AIDS or family life instruction if his parent or guardian submits written objection thereto, and refusal to take or participate in the course or program shall not be reason for suspension or expulsion of the pupil), parents must provide a written objection opting their child/children out from participating in any CPS Sexual Health Education course.

Your child's participation is voluntary and this unit is not graded. If you wish to have your child excused from participation, please inform me in writing.

Please let me know if you have questions.

Best,

Yolanda Luna-Mroz
