

# Secrets of High Tunnel Systems: Growing Ginger & Turmeric

**Tuesday September 27th**

Are you curious about how to grow unique crops such as ginger and turmeric? Named as one of the world's healthiest foods, ginger and turmeric can be cultivated here in Catawba County with knowledge and practice. Join us as Christina Newhouse talks about growing ginger and turmeric in a high tunnel system followed by lunch. We will be visiting some high tunnel producers in Catawba county to see what other unique crops are being grown in a high tunnel. We'll also see some ginger production in the county. Come dress for out doors

**Deadline to Register: September 16th, 2016**
