

Hi Everyone - great news! We will be blessing the knitted and crocheted items that will be distributed to the women at the Woods Mullen Shelter this Sunday at both worship services. If you have items that you would like to include in this week's worship services, please drop them off at the church by today (the church is closed tomorrow for the holiday) or to Susan's house up until Saturday ([43 Vine Brook Road.](#)) If you can't get it to us before these times, don't worry! We will bless the items in our upcoming November meetings!

1. **Our November meetings are coming up---so mark your calendars!**

Evening Meeting - Tuesday, November 14 at 7:30 pm in the Parlor

Day Meeting - Monday, November 20 at 9:30 am in the Parlor

Items on the agenda include:

- Sharing of some new hat and cowl patterns with samples to view
- Blessing of new items completed
- Woods Mullen - wrapping and distribution of items!
- Discussion of ideas for our next project focus

2. Some of our **KFO team members have been busy knitting even when they are out of town.** Roberta Johnson spends part of the year in Florida and here is a snapshot of some of her recent projects---so pretty and the women at Woods Mullen are going to love them!

3. Laurie Mills was sitting next to a "knitter" at a softball tournament several weeks ago and she told them about our **Woods Mullen project**. When Laurie saw the woman two weeks later at another tournament, she handed her a bag of three beautifully knit hats for our project!

4. Gayle has been busy "tagging" all the completed projects -- keep them coming. Our current total of projects in hand is 175!

5. If you haven't tried some of the patterns in the book, the picture below may be an incentive to try the **Bamboo Stitch Cowl found on page 9**. Lynn Lonabocker knit this cowl with Encore Chunky yarn in the color purple---isn't it beautiful!
