

Summer Sunday School begins on June 11 and will be taught by Erin Quinn and Jenevieve Erickson again this year. Summer Sunday School is a multi-age class for children who have completed kindergarten – fifth grade, and takes place after the children are dismissed from the 9:30 worship service. Each class will begin with a short group prayer time and will focus on a service project, a Bible story lesson or a faith lesson based on a secular children's book. There will be games and crafts too! There is no registration required. Please contact Liz Lisciandra (elisciandra@uccmedfield.org) with any questions.
