ABOUT RECIPE FOR SUCCESS

Recipe for Success Foundation was founded in 2005 to combat childhood obesity by changing the way our children understand, appreciate and eat their food, and by educating and mobilizing the community to provide healthier diets for children. Through award-winning efforts like the nationally offered Seed-to-Plate Nutrition Education™ program in schools, Eat It! Food Adventures children's cookbooks, Farmers MarKIDS Days and VegOut! 30 Ways in 30 Days Challenge, along with Hope Farms, an urban agriculture project in Houston, the Foundation works to make healthy food appealing and available to everyone.
