**What:** The mission of Circle the Cities with Love is to stand/sit together holding hands, if possible, in silent meditation embodying the power of LOVE that brings healing, peace, and justice to our cities, our countries, and our world. For people in the United States, this is a timely, prayerful, communal event as the inauguration of our new President approaches.

**Where:** Indoor or Outdoor Locations across the United States, Canada and the World such as **SSND residences, Assoicates/sponsored/co-sponsored ministries; etc.**

**How:** Local coordinator advertises the above date, time, and local site of the gathering. When group assembles, the coordinator reminds the group that this 30 minute communal mediation is one way to send the power of prayer, love and healing to cities, and areas of our world experiencing violence or other forms of injustice. At 3:00 pm ring bell of mindfulness and hold hands of those gathered (seated or standing). Ring bell to close time of silent meditation.
