DEALER SOLUTIONS COMPLETES ANOTHER TRANSACTION!

Dealer Solutions is pleased to announce the purchase of Stratford Hyundai by Todd Saunders. Todd took a little time off from the industry and sold his Easthill Volkswagen dealership located in Walkerton, Ontario, two years ago. The lure of the industry beckoned, and Todd made the leap and purchased Stratford Hyundai from the Autopoint Group. Autopoint has decided to strategically focus its efforts in the London and Hamilton markets, where it has 10 dealerships, including London Honda, Plaza Nissan and London Kia. It was a pleasure working with the Autopoint team and Todd in closing this transaction. Congratulations to all!

I want to thank our associate, Chris Julian, for facilitating this transaction.

Sincerely,

Farid Ahmad

President/C.E.O. of Dealer Solutions Group of Companies
