

SUCCESSFUL TRANSACTION

Dealer Solutions North America is pleased to announce that Car Nation Canada has sold Collins Nissan to David Scherle. This dealership has been a consistent performer in St. Catharines under Rick Paletta and Tony Garofoli's leadership. David presently operates two highly successful dealerships in Burlington Ontario - Burlington Toyota & Nissan. We wish David much luck and continued success with his businesses and the newly named St. Catharines Nissan.

This is one of many transactions we have had the pleasure of working on with Rick and his team. We thank him for his trust and loyalty in the Dealer Solutions North America team. Thank you Paul Stern the lead associate for facilitating another successful transaction.

We wish all parties much success for the future and hope to work with them in the near future.
