DEALER SOLUTIONS COMPLETES ANOTHER TRANSACTION!

Dealer Solutions North America would like to thank Mr. Greg Kallal and his father who owned and operated **Spruceland Ford** and **Barrhead Ford**. For many years, the stores exceeded over 100% service absorption and continued to maintain a strong parts and service presence. Devoted to his work, Mr. Kallal took pride serving the community and has decided to retire from the automotive business. We wish Mr. Kallal and his family the very best!

We also want to congratulate Mr. Brandon Schroder on the acquisition of these dealerships. Mr. Schroder owns and operates South Fort Chevrolet located in Fort Saskatchewan, and these acquisitions are the beginning much anticipated future growth.

Sincerely,

Farid Ahmad

President/C.E.O. of Dealer Solutions Group of Companies
