

2017-2018 YEARBOOK

Dear Parents,

Welcome back to a new school year! We hope you will consider purchasing a yearbook which will document all of the wonderful things we have ahead of us this year. We are once again using TreeRing as our yearbook company.

Here are a few reasons we chose TreeRing:

- TreeRing plants a tree in our school's name when you purchase a yearbook.
- All yearbooks are gorgeously printed in full color on recycled paper.
- Ease of purchasing online or via iPhone/Android apps.

One of the most exciting features of TreeRing is that you can customize each child's yearbook by designing two pages that include your own pictures of your child from throughout the year. What a great way to document your child's school year and what a great memento!

The program also allows you to share photos with other families in our school community easily. We encourage you to upload photos throughout the school year.

Please note:

- Each yearbook costs \$20.00
- You'll need to purchase by April 11, but there are discounts for early orders.
- Yearbooks must be purchased online through the TreeRing website.
