Agencies marked with asterisks * offer Spanish speaking staff and/or materials to clients
Service Integration teams meet monthly and are open to anyone wanting to learn more about the valuable resources in each community. Every team is unique to its local community with partners such as school personnel, law enforcement, government agencies, non-profits, faith community representatives, tribal members, and community members. By working together and combining resources, the teams are able to support a variety of local projects and needs each year.
