AFTER JUST THREE SEASONS THE PACIFIC MEN'S SOCCER TEAM QUALIFIED FOR THE NCAA NATIONAL TOURNAMENT

The Pacific Athletic Foundation, Head Coach Ryan Jorden and the Men's Soccer program have established the **Center Circle** to give friends of Pacific Men's Soccer greater access and connection to the program and to provide increased financial support for the operations of the team.

As Men's Soccer at University of the Pacific continues to grow in stature, the Center Circle aims to engage alumni, parents and community friends in support of the team's efforts to achieve regional and national success. In 2016, just three seasons after the program was restarted following a 30-year hiatus, the team

completed the greatest single season record improvement in NCAA Soccer history, finishing with a final ranking of #27 in the country and qualifying for the NCAA National Tournament. Pacific won its opening round match, prior to falling to eventual National Champion Stanford University in the second round.

Pacific Men's Soccer is resolute in its desire to recruit and develop top level student-athletes who are determined to grow the playing standard while continuing to succeed in the classroom and engage in the local community on multiple levels.

## THE GOALS OF THE CENTER CIRCLE SUPPORTERS CLUB ARE TO:

- Create a foundation of current and former players, parents and community friends to participate in the program's success.
- Grow a network of diverse supporters who will feel a connection to and sense of ownership with Pacific Men's Soccer as their club.
- Develop a financial backing that will allow for an enhanced experience for the student-athletes.
