

PACIFIC TIGERS MEN'S TENNIS BOOSTER CLUB

CREATING OUR NEXT CHAPTER

The Pacific Athletic Foundation, Head Coach Ryan Redondo and the Men's Tennis program have established the Men's Tiger Tennis Club to give friends and family of the Pacific Men's Tennis greater access and connection to the program and to provide increased financial support of the operations of the team.

The Men's Tiger Tennis Club aims to connect alumni, parents and community friends in support of the team's effort to achieve national success. Pacific Men's Tennis entered into the West Coast Conference with success, reaching the semi-finals in the conference tournament the first two years in the league as well as finishing in the top 3. With the brand new Eve Zimmerman Tennis Center, tennis at Pacific and in Stockton has never been better. Stanford, Cal, and many other top programs have and continue to challenge the Tigers in national level play.

THE GOALS OF THE **MEN'S TIGER TENNIS CLUB** ARE TO:

- Create a foundation of former players, parents and community friends to participate in the program's success.
- Grow a network of diverse supporters who will feel a connection to and sense of ownership with Pacific Men's Tennis as their team.
- Develop a financial backing that will allow for an enhanced experience for the student-athletes.
