July 11 **Clark McNulty: Up Close and Personal with the Fish**

An active spear fisherman, photographer, and local conservationist, Clark McNulty, along with his brother Rhett and their Oceans Global partners, have established the **Kirk McNulty Annual White Seabass Spear Fishing Tournament**, benefiting the White Seabass Hatchery Program under the Hubbs-SeaWorld Research Institute. The tournament attracts top west coast spear fisherman, and will support the data collection efforts of the Hatchery as it tracks the success of the release programs along the coast. Clark will also give us insight into the sport of spearfishing, and some of the related conservation efforts in place to support the local marine habitat. Clark is the founder of Oceans Global, providing ocean-based activities and volunteering opportunities for people suffering from substance abuse.

July 18 **Stay tuned for speaker announcement**

July 25 **Pam Sanders Craft: Cabrillo Beach Youth Waterfront Sports Center**

Camping director Pam Sanders Craft will give us the latest in news and initiatives at the Center, which provides unique aquatics and camping experiences for the youth of Southern California, teaching character and good decision-making skills and then linking those skills to the real world. They gain self-confidence through exposure to water safety, rescue methods, care and use of equipment, and physical fitness, and learn the value of respect and responsibility while discovering a world of career opportunities. Cabrillo also has classroom-based programs that provide an action-learning process with grade-specific lesson plans for grades K-12, plus a complete supplement for special-needs students.

*In the tradition of the Club, the Wednesday luncheon is open to the public. Please make reservations at **LAYC.org** or call the Club office, **(310) 831-1203**, if you plan to attend. Lunch is \$20+tax and visitors can pay by cash or credit card.*
