

Dear Parents & Guardians,

From time to time we have older children at St. Raphael's who have not yet celebrated their entrance into the sacramental life of the church through baptism. We do have a monthly baptism class for adults who have infants and preschoolers preparing of baptism.

At this back-to-school time the Faith Formation Office will have a special class for both parents and children age 4-7 yr. old who have not yet been baptized and who are being raised by at least one practicing catholic parent. The class will help the children know what to expect and why their parents are preparing them for this special occasion in their life. Parents will be able to schedule their child's baptism after attending class, and turning in both the Baptismal Registration Form and godparent/sponsor certificate to the parish office. These forms can be found by clicking on "Baptism Information" on our website <http://www.st-raphaels.com/73>. There you will also find more information that will answer any questions you may have.

This children's class is offered once a year so please join us with your child on Tuesday, September 26, 6:30-7:30PM in Meeting Room A of church. To register for the class contact Lynn Edmonds ledmonds@st-raphaels.com 821-7989 x 2116 by September 25. Lynn is also available to answer questions ahead of time.
