

# SAVE THE SEA TURTLES WITH AUBREY

FRIDAY  
9.29.17  
6PM – 8PM  
HANNAH PARK  
6547 CLARK STATE RD

Join Aubrey and her ongoing efforts to save sea turtles by raising money to support the Sea Turtle Care Center at the South Carolina Aquarium.

All seven species of sea turtles are listed as threatened or endangered. These amazing creatures need our help. Four years ago, Aubrey decided that she would do all that she could, with the help of her family, friends and community, to save the sea turtles.

This year's event features:

- ◆ Sea Turtle Stroll
- ◆ Original art made from recycled products
- ◆ Baked goods and treats
- ◆ T-shirts and canvas bags
- ◆ And lots of fun!
