WELCOME!

Each week at Peace, we are delighted to gather in community with people of all ages and stages in life. We want to create an environment that allows each to experience the loving presence of God. If you need assistance with hearing, we have hearing aids available at the back of the service area. If you have young children with you, wonderful. Worship is one of the best ways to form the faith of a child. *Big Kids Bags*, with worship-friendly activities, are available near the entrance. If your child becomes too restless, feel free to step out for a moment and return when they are ready. We also offer a nursery for children under the age of three. Ask someone at the Welcome Center for directions. Welcome to Peace.

Welcome Maya and HTF!

Today we welcome Maya Fond-Rose, from the Haitian Timoun Foundation. Maya is a native of Fermathe, Port-au-Prince, Haiti, and is a graduate of the St. Joseph’s Home for Boys, a home for former street children in Petionville. Maya’s role with HTF began when HTF began to bring groups to Haiti to partner with and to build relationships and fellowship with the Haitian partners, to empower them in their vision and mission for the children of Haiti. He is on the board of directors of the St. Joseph Family, and has become a great friend to our Peace Community.

Today Maya will share some of his experiences and highlight this year’s HTF/Peace financial focus with Chemen Lavi Miyò (CLM). "Pathway to a Better Life" (in Haitian Creole), this program brings Haiti's poorest women to self-sufficiency over the course of 18 months. Today’s special offering and Jewelry sale proceeds will benefit CLM.
