

A range of Tar 10's award-winning Australian vinegars and dressing is available at Huber's Butchery. Free from gluten, preservatives and colourings, these 250ml bottles are refreshing drizzles and marinades that use fruit juices to give the food an added zing. The blood orange vinegar (\$14.75) has a citrusy note that will suit fish, the sweet black cherry vinegar (\$14.75) is great as a finishing glaze on duck and pork, whereas the mango and lime dressing (\$14.75) enhances the flavours of fresh seafood, chicken and salads. The caramelised balsamic vinegar (\$18) is an interesting combination of balsamic vinegar, apple juice and brown sugar which is best sampled with salad, cheddar or a strong cheese like blue cheese.

State road is a general arrangement within the boundaries of the village, resulting in higher tax content than other common systems. The government collects higher income tax at State level, while less is from State Road at harvesting and resale of all produce from the village market.
