## *A Message from Thack*

Last week I went to Children's Hospital in Birmingham to see Rebecca Grizzle and her 15-year-old daughter Laura Howard. Laura was diagnosed with leukemia last fall and has been in Children's since February 1 for treatment. She had a stem-cell transplant on February 8 with the hope that the infusion of healthy blood stem cells into her body will replace those affected by her leukemia.

Laura has had a difficult time of it, especially since going to Birmingham. She's lost her hair, can't eat because of the mucosal infection related to her treatment, and generally feels bad all the time. On top of this, she must keep up with her school work and has tutors come to the hospital twice a week.

Despite Laura's condition and difficulties, her rapier-like wit was as sharp as ever last Thursday. She had me, the nurses and Rebecca laughing with her humorous comments. Rebecca and Laura also have a hilarious repartee. It's clear Laura is Rebecca's daughter.

Make no mistake, Laura's condition is serious and she is aware of that. Yet despite her struggles in recent months, Laura has remarkable fortitude. She stands in good company with other parishioners who've shown tremendous fortitude recently as they have had to deal with their cancer. This includes Cathy Slagle, Theresa Johnson, Margaret Cummins, Phyllis Springen, Michael Taylor and others.

The gift of the Holy Spirit that keeps our spirituality centered, even under the most difficult circumstances, is the gift of fortitude. It is that gift that enables us to endure and work through pain and suffering. That's why faith and fortitude are inextricably connected. The late Mike Yaconelli, founder of "Youth Specialties," a ministry to youth leaders, once spoke of faith and fortitude. He observed, "I am beginning to understand that faith is not the way around pain, it is the way through pain."<sup>1</sup>

Life for most of us isn't a continuous ride in the Teacups at the Magic Kingdom. Every now and then, life is more like the "Tower of Terror" at the Hollywood Studios. The proverbial bottom falls out because of difficulties in relationships, ill health, fears of all kinds, misunderstandings, failure, a sense of powerlessness, addictions, loneliness, and discouragement. The gift of fortitude helps us to endure these trials. It comes with the knowledge we aren't alone in our struggles and are accompanied along the way with a loving God who knows first-hand what human suffering is like. In fact, on the first Good Friday in Jerusalem 2000 years ago, Jesus showed the world a love that prevails even in suffering.

If you are going through a difficult time, pray for strength and the gift of fortitude to sustain you until the problem is over. Ask others within St. Paul's and beyond to pray for you as well. Finally, you might even laugh a little. While it may not make the problems go away, it certainly takes the edge off them.

Peace, Thack

## \$22K by Mother's Day

Our own Airrior Norwood has conceived a novel idea on how to honor our mothers on Mother's Day and to help reduce the debt on the Life Center. Many of you weren't here in 2006 when we first raised money to help finance the construction of the Life Center. We still owe about \$3.3 million dollars. The original debt was over \$6 million dollars. Many of the previous donors have paid their initial pledges. Some of us renewed our pledges to maintain a sufficient cash flow to cover the approximately \$22,000 a month mortgage payment.

That said, Airrior had Terri order pledge boxes for the congregation to put in their spare change and, as Gary Moore says, "quiet money," in thanksgiving for our mothers. They will be available in the narthex this Sunday. The hope is that we can raise a month's mortgage payment of \$22,000 by May 14, hence the name "\$22K by Mother's Day." If you haven't pledged to the Building Fund, this is a great way to help take ownership of that wonderful space. Thack

## The "Rip" Room

The Honorable Emmet Ripley Cox, affectionately known to us as "Rip," will be honored on Friday, April 7 at the Federal Courthouse in Mobile. One of the courtrooms where Rip presided as a United States District Judge is being named in his honor for his many years of exemplary service as a jurist. Rip was appointed by President Ronald Reagan as a U. S. District Judge for the Southern District of Alabama in 1981. President Reagan appointed him as an appellate judge to the 11<sup>th</sup> Circuit Court of Appeals in 1988. Rip served honorably in both courts and earned the respect of both civil and criminal attorneys for his keen understanding and application of the law. He served with such distinction he even has his own Wikipedia site! Please congratulate Rip when you see him Sunday. Thack

**Great Wednesday @ 6:00**, continues each week with the Lenten study of "Five Marks of Love, Living Life Marked as Christ's Own Forever." We are examining and reflecting on the ways in which God's Life and God's Mission express themselves in and through us. Inspired by the Anglican "Five Marks of Mission," we will look for signs of God's presence and activity in our lives, in our communities, and in the world around us. Each week we will explore one of the "Marks," using short videos, thought-provoking questions and activities, and prayerful discussions to reflect on what God is doing in our lives and in our world. A light supper will be provided by our cooking ministry: soup, bread and dessert. All you have to do is show up, eat supper and participate. Child care will be provided for all of the Great Wednesday programs.

**Dear Campus Grounds Sprucers,**

I want to thank everyone who came to the March 4<sup>th</sup> Spruce Day. There was a lot of work done all over the campus. You could tell by the monumental pile of rubbish we left for the city pickup on Lincoln Street.

Even though there was a lot accomplished on the 4<sup>th</sup> of March, we all think there is more to be done. Please come help us on April 1<sup>st</sup> for another satisfying day of getting to know each other better and working to make our campus look magnificent. Easter will be only two weeks later. You know there will be many people that will come to church that day! We need to set the stage for what they will encounter once they enter the doors of the church.

Remember, we have breakfast at 7:30. Come join us for a cup of coffee or juice even if you would rather not weigh yourself down with bacon, sausage and eggs.

God's peace,  
Donna Brown

## Church Directory

The Church Directory is always available to you via our St. Paul's website and your smart phone.

If you visit the website, [www.stpaulseasternshore.com](http://www.stpaulseasternshore.com), look in the left hand corner of the screen where it says CONTACT INFORMATION, you will see the word **directory**, it is right below the **Thrift Shop** telephone number. This is the link that will take you to the directory. You will need a password to open the directory, so if you will email me or call the office, 626-2421, I will give you the password. This is to protect the information from being accessed outside of our congregation. The directory is in a PDF format and can be viewed and/or printed.

The directory will take a minute to open, then it will display a picture of the church. You will have to scroll down to see the entire directory. It **does not** work by clicking on the pictures.

The directory can be accessed from your iPhone, iPad, Android or Kindle Fire by downloading the free **Instant Church Directory Members App**. You will need to search for "Instant Church Directory" in the Apple App Store, Google Play, or Amazon App Store, or use this link: <http://www.instantchurchdirectory.com/app>. When you have the app on your phone you will have to type in your email address. Once they receive your email address Instant Church Directory will email you a password to type in on your phone. The directory will then be available for you to view.

If you are not in the directory, please email me your picture, name, address, telephone number(s), email addresses and date of birth.. My email address is [officestpaulsdaphne@gmail.com](mailto:officestpaulsdaphne@gmail.com) The pictures have to be emailed to me in a JPG format. Be sure to include your name with the photo.

I make changes to the directory on a daily basis. ***It is impossible for me to keep this directory up-to-date without your help.*** Please keep me informed of any changes to your directory information.

Thank you,

Terri McMillan

### Music Notes....

April's TAIZE PRAYER takes place on Monday evening of Holy Week, April 10, in the narthex. Come and join us to pray and to share in the Eucharist at 6:00 p.m.

And now, for something new [for most of us]: Join us on April 12, Wednesday evening of Holy Week, at 6:00 p.m. for a service of TENEBRAE. This is an ancient service, as is our Easter Vigil service. Tenebrae is unique in that it details the crumbling of Jesus' life, step by step. Comprised of prayers and psalms and responses, the service draws heavily on the Lamentations of Jeremiah. A series of readers goes to the ambo and at the conclusion of each reading, extinguishes a candle from a pyramid of 15 candles. At the end of the service, only one candle remains, the Christ candle, and it is hidden from direct view, symbolizing the supposed victory by the forces of evil in the world. At this point, all other candles are extinguished and the entire congregation creates a loud noise, beating on the pew in front of them with their hands. This is symbolic of the earthquake which occurred during Christ's resurrection. Lastly, the Christ candle is brought back into view, and the congregation departs in silence. Tenebrae is a very moving service and makes a wonderful prelude to the Maundy Thursday and Good Friday services.

## A message from your Parish Nurse...

### Parish Nurse News

Donna Nolte MSN, CCRN

Have you ever stopped to think how amazing it is that some of the simplest things can have the biggest impact? Something that we do all the time yet never realize how important it is? Handwashing is a perfect example of that – it's like a “do-it-yourself” vaccine! It is one of the easiest things to do but the Center for Disease Control has deemed it to be the single most important measure for infection prevention. In fact, it is estimated that our hands spread 80% of the germs that cause common illnesses and good handwashing can eliminate all of those “bugs”.

It may seem elementary but it's worth reviewing the important points:

- Using running water whenever possible. If you don't have running water, bottled or standing water will do.
- Lather your hands with soap and scrub for at least 20 seconds. Just plain soap is fine as the Food & Drug Administration advises that there is not enough science to prove the benefit of using antimicrobial soap over plain soap.
- Rinse your hands and leave the tap running.
- Dry your hands with a paper towel or clean cloth and turn the water off with it.
- Wash your hands frequently during the day. Some common times are: Before, during and after handling food; after using the bathroom or changing diapers; after blowing your nose, sneezing or coughing into your hand; before and after taking care of someone who is sick; after handling money.

If you don't have water available, an alcohol based hand sanitizer is an effective way to reduce the number of germs on your hands. It's not very effective if your hands are visibly soiled or greasy, though.

If you have small children, teach them the steps in good handwashing. Our children are exposed to so many germs every day, especially at school and daycare. One fun trick is to teach them to sing “Happy Birthday to You” twice or the “ABC Song” once while scrubbing to get the 20 second scrub. Once they develop good handwashing habits, it will be a protection for them for life.

Good handwashing is our first, and best, line of defense against illness so let's make good use of it!
