STATE SUPERINTENDENT

What's at Stake?

Don't overlook this year's race for Superintendent of Public Instruction. Just like the many Local School Board and Referendum elections, the race has a huge impact on students in Wisconsin.

The State Superintendent is front-and-center when it comes to high-profile decisions on:

STANDARDIZED TESTING
SCHOOL FUNDING
TEACHER LICENSURE
EDUCATOR EFFECTIVENESS
AND MORE

“As educators, the office of State Superintendent is something we should all care about. We need someone in this office who can advocate for students and public education no matter where we teach - in urban, suburban and rural areas.”

- Melissa R., First Grade Teacher
