

Paid Opportunity for a Local Coordinator

WR3's Career Learning Labs (CLL)

Beginning August 2017, through March 2018

\$2,000 stipend

Do you thrive on talking with fellow teachers about professional practice? Do you have a passion for working as part of team that solves problems collaboratively? Are you inspired by the optimism of fellow teachers?

Career Learning Labs (CLL):

The CLLs are a blended professional learning opportunity that includes face-to-face meetings and online coaching sessions around teacher-identified problems-of-practice.

CLL Coordinators will serve as the primary contact person(s) for the 2017-2018 WEAC Region 3 Career Learning Labs. Coordinator's responsibilities include working with the WR3 Regional CLL Coordinator to:

- contact local association leaders
- recruit 10-15 teacher members to participate
- attend 3 face-to-face meetings and an August training
- coordinate and schedule online Zoom meetings for each team for teams.
- participate in weekly virtual meetings
- contact each teacher participant at least once during each eight week learning cycle
- commit to an average of 3 hours per week

Qualifications:

- a WEAC Region 3 member
- a Professional Educator (6 or more years of experience)
- experience using digital tools to connect and learn professionally
- successful experience using online digital tools for communication and collaboration
- home access to the internet and a personal device with webcam and audio
- A willingness to talk to and recruit members for the CLL program

To apply: Send/Share a video clip (max length 3 min) describing your interest and qualifications to

stanglers@region3.weac.org

Application Deadline: Thursday, June 22, 2017.

Paid Opportunity for a Virtual Coach

WR3's Career Learning Labs (CLL)

Beginning August 2017, through March 2018

\$2,000 stipend

Do you thrive on talking with fellow teachers about professional practice? Do you have a passion for working as part of team that solves problems collaboratively? Are you inspired by the optimism of fellow teachers?

Career Learning Labs (CLL):

The CLLs are a blended professional learning opportunity that includes face-to-face meetings and online coaching sessions around teacher-identified problems-of-practice.

Virtual Coach's responsibilities include working with the WR3 Regional and Local CLL

Coordinators to:

- lead online, weekly, 45 minute virtual meetings (via Zoom) with a small group around an instructional problem-of-practice
- curate high-quality content to share
- maintain contact and conversation with the participant teachers throughout the 16-week process
- participate in an August training and planning session
- attend 3 face-to-face meetings
- commit to an average of 3 hours per week

Qualifications:

- a WEAC Region 3 member
- a Professional Educator (6 or more years of experience)
- experience and training as a coach or mentor to teachers
- experience leading and organizing professional development
- experience using digital tools to connect and learn professionally
- successful experience using online digital tools for communication and collaboration
- home 24-7 access to the internet and a personal device with webcam and audio

To apply: Send/Share a video clip (max length 3 min) describing your qualifications and related experience to stanglers@region3.weac.org

Application Deadline: Thursday, June 22, 2017.
