Listening Project

Monday, August 7, 2017

8:30 am—4:30 pm

WR3 Office, 1136 N. Military Ave., Green Bay

What's it about?

- Is your Local's membership less than what you would like it to be?
- Are you interested in engaging your current members in relevant activities led by your Local?
- Do you wish more members would take on leadership roles?
- Have you attended previous Listening Project workshops, but didn't quite get off the ground?

Members who attend this exciting gathering will learn how to address all these concerns and more!

What's included:

- **FREE** meals!
- **FREE** door prizes!
- **Networking** with other Locals!

How can you pass up all this fun?

What's expected:

- Local brings a team of 3-5 people who will work on their own plan for their own Local. Contact your Regional Director for exceptions.
- Local will plan Back-to-School membership event(s) and commit to working with a coach as the plan progresses.

You will learn great strategies, and you'll leave with a PLAN to get your Local going!

- "It was beneficial to be guided, step by step, through the process."
- "It was good because it got our local started on a project that will continue into the next school year. "
