

Labor 2018

July 14th Day of Action

Union brother, Mahlon Mitchell is leading a historic and exciting campaign for Governor by uniting Wisconsinites from all corners of the state around a working family's agenda.

Mahlon Mitchell gets the issues that matter most to working families and union members in Wisconsin: economic opportunity, higher wages, safe jobs, a secure retirement, and fair return on our hard work.

Join us to knock on doors and talk to fellow union members about our labor endorsed candidate!
