Add Additional Questions to the Application

- When creating a new question, please select a type of question from the ‘Question Type’ drop down menu (i.e. Single Line, Multiple Line, Single Choice, Multiple Choice, Date, File Upload, or Instructional Text).

- Use an abbreviated name for the question you’ll be adding for retrieval purposes in the “Pick from Existing Questions” library. Please Note: This will not be presented to the applicant.

- The Question Label is what the applicant will see. Use the text and HTML editor feature to make your questions look more professional.

- You can either add your question to the existing general section or create a custom section for your question to be placed underneath. If you’d like to add a new section for a question to be within, please enter the name of the section in the “Create a new section” at the same time you’re adding the 1st new field being presented within this new section.

- Once this section has been added with your new question. All subsequent questions you may want to add to this new section can be done by simply selecting the new section from the “Select an existing section’ drop down list.

- You can place any new question exactly where you want it by selecting the desired location in the “Where to Add this Question” drop down list.

- When you are completed adding a question, click the “Add Question” button. Lastly, to save the application, please click the “Save Application” button.

- Please note: All job specific questions you add to your institutional default application will be reviewed and approved by your Site Administrator.
Select ‘As soon as possible’ from the list on question #1 if you want the job to be reviewed for approval immediately. However, if you want to save the job for later, select ‘Later, I need to review it myself first’. The job will go to Storage for later review.

Select “Yes, immediately, from the list on question #2 if you want the job to be listed immediately upon approval.

Applicants can create a JobMail account allowing them to define their job preferences. If you’d like to notify applicants with job preferences that match your job, please select ‘Yes, send JobMail’. Otherwise, select ‘No’ and your job information will NOT be emailed to any potential applicants.
For the question, “For how many days do you want the job to be listed on the site? If you want to designate a specified period of time the job should be posted, select the applicable duration from the drop down list. If you want the job to be posted until your close the job, select ‘Until I close the job.’

Click the “Click here to Finish!” button.

Your job will be submitted to the Student Employment Office for review/approval.
