

The Kingdom of God is within us and
GROWS DAILY LIKE A MUSTARD SEED!

I observed 5 year old and his 3 year old brother wearing a paper hat. The 3 year old's hat tore and his face became sad. He just looked at his hat but said nothing. I did nothing but observed his 5 year old brother noticing his brother's face. The 5 year old brother just took off his hat and gave it to his younger brother who began to smile. The smile was his way of saying "THANK YOU". I said nothing and did not replace the hat for the older brother because he did not request it.

I believe The Kingdom of God within us GROWS like the MUSTARD SEED when we NOTICE the need of my neighbor and I give to others according to their need. "I was thirsty, and you gave me to drink. I was hungry and you gave me to eat. I was naked and you gave me clothing"

The 5 year old taught me that lesson yesterday. A CHILD WILL LEAD US in discovering The Kingdom of God ALREADY WITHIN US!

God Bless you.
