

## Countdown: Day 100

A MUSTARD SEED OF WISDOM

Today, Saturday, May 13 begins our countdown of 100 days leading to the celebration of Sofia's Centenary.

Please join us each day as we post reflections, timelines, images, stories, videos, and interviews revealing the growth of the mustard seed planted by Sofia Cavalletti and Gianna Gobbi since the early 1950's.

We invite you to share reflections, videos, and stories demonstrating how your Catechesis of the Good Shepherd Formation is transforming you, the children you serve, your parish, your family, and your friends.

Email your submissions to:
