Celebrate Life & the Resurrection

I recall early childhood memories of my parents dressing up my sister and me in Easter dress clothes, standing us on the front porch, and taking our picture. I smile as I recall those days and look at the photos. How did my parents ever convince me to wear a suit and tie? I’m sure you’re all a bit surprised to hear I was a smidge mischievous as a kid. I never wanted to stand still for very long and enjoyed pulling practical jokes.

I learned a lot about practical jokes from spending summers with my Grandma and Grandpa Gilpin on their dairy farm. From buckets of water suspended above the milk house door, to slippery “cow patties” underfoot – in the midst of a hard day’s work, there always seemed to be a reason to smile. I will never forget the time when, after waking up in the middle of the night to help gather a few heifers who broke loose from their pen, without thinking, I quickly put on flip flops. Word of advice…if in the middle of the night cows escape their pen, in your haste to round them up, never wear open toed shoes! My Grandpa has told me that wearing those flip flops that night is why I have hairy toes! If you ever have the chance to visit my Grandparents, never take your eye off your dessert and if my Grandfather asks you to “pull his finger”, don’t do it.

Some of our fondest memories are intimately connected to our experiences of Easter.

As a church family we gather to celebrate Christ’s gift of grace with joy. Tucked away with our celebration are a number of special moments with our family, friends, and church. What are your Easter memories? Did you celebrate with a family meal? Did your parents dress you up and take your picture? Did you have a relative who taught you the art of pulling pranks?

Recalling Easter memories might bring a feeling of sadness. Someone you loved may have passed away; perhaps those with whom you shared many Easter celebrations are no longer with you.

Your fond memories of Easter are gifts from God. Those memories would not have happened had it not been for Easter and your family’s and friends’ love for Jesus and the church.

I hope my children will one day look back upon their childhood and think of Easter as a special time. As they grow, I want them to know the depth of God’s love and the reason we celebrate Easter. And, I hope they find ways to gather with friends and family to create new memories and share the celebration.

Take time this Easter and tell each other your Easter stories. Explore ways to share your celebration of the Resurrection with other people. Do you know anyone you might invite to come with you to church or your family meal? How might you help inspire the next generation of Christians to create their own Easter memories?

Easter Blessings to All!

The Big Squeeze

What is the Big Squeeze? It’s the opportunity for people to get their blood pressure checked and our community’s way of helping people to learn more about their health. The screening is being conducted by many area churches, clinics, the Health Department and many other places. It’s a chance for people to find out what their B/P is, and if it’s high, what they can do to improve their health. Why is this important? People need to know their numbers in order to know if they’re at risk! Some of the risks of high blood pressure involve heart attack, stroke, heart failure, and kidney failure. You are at higher risk if you are:

- African American
- Drink more than 1-2 alcoholic drinks per day
- Inactive
- Eat a high salt diet
- Overweight
- Related to someone who has high B/P
- Smoke on a regular basis

How can you tell if you have high B/P? High blood pressure is known as the “silent killer” because you may have it and not even know it. High blood pressure is described as 140/90 consistently. 77% of Americans treated for a first stroke have blood pressure over 140/90, 69% of Americans who have their first heart attack have blood pressure over 140/90 and 74% of Americans with congestive heart failure have blood pressure over 140/90.

High blood pressure can often be lowered and managed with lifestyle changes such as quitting smoking, exercising more, eating a healthier diet and, if necessary, medication. In the last year we have noticed a significant rise in blood pressure in younger adults - especially in the 18-30 year old males so we would like to screen more of them in order to find out why and determine ways to help this population. If you are in this age bracket please have your B/P checked. If not here at the church, then find another place to do it. Nearly half of men and a quarter of women aged 18-24 had elevated B/P. You can join the movement for blood pressure awareness through the Big Squeeze. It’s free - so grab your buddies and participate. You’ll be glad you did.

We will be doing the Big Squeeze on April 2, 9, and 23 and 30th between services in the Memorial Room.

Upcoming events:

- The Blood Mobile will be here Good Friday, April 14th from 8-12:30. Sign up on the 2nd or 9th, or just come that day. It is a good way to remember Christ shed his blood for us.
- Foot care is April 24th from 9-3. Call for appointment.

YOUR LIBRARY NEWS: DID YOU KNOW...

1. April’s feature table will be our collection on South Dakota history.
2. One feature on the new book cart: A trilogy by Dr. James Dobson and Kurt Bruner: Fatherless, Childless, Godless. This fiction series sees a not too distant future where the earth has reached the tipping point. What does that look like and will God show redemption?
3. Audiobooks are here! Let us know what you think. Help the collection grow by donating your used CD Audiobooks.
4. Mark your calendar for Sunday, May 7th. The Library will have an Open House all morning. Come browse the shelves and speak with the staff. Light refreshments will be served (outside the door, of course). Enter the drawing to win a Crossroads Bookstore gift card.
5. Save your used books and rummage items for the library fundraiser April 28-30. Bring any donated books, movies, CD’s, etc to the office or library. We will review all materials for the library before they go to the sale. Please hold rummage sale items until after Easter, if possible due to space constraints.

NOTE: If you have a large number of books/rummage, we will do pick up. Just contact the office and we will make arrangements. Thank you.

6. Announcing: The Zookeeper’s Wife will be released in theaters 31 March. The book, and now the movie, is based on a true story of 300 Jews saved during the Nazi occupation of Warsaw. The book can be found in the history section of the library.

We are pleased to announce that our front door is now handicapped accessible!
MARCH SESSION HIGHLIGHTS

Most of the March 14th Session meeting was spent in a deep and engaging conversation about goals for the church. Pastor Nate shared his goals and dreams and Session responded. More conversation will be held in coming months as Session works to set a vision for the next approximately five years.

Session also heard from the Nominating Team that they have a full slate of nominees for elders and deacons to present to the congregation. Those names will be published by the Nominating Team as the time is nearer to a congregational meeting to elect them. (The date for that meeting has not yet been set.)

Congregation members are welcome at any Session meeting. Any concern to be brought before Session should be discussed with the moderator (Pastor Nate) or clerk (Claire Gillaspey) prior to the meeting so it can be cleared for the agenda.

Full Session minutes can be found in a notebook in the church library. If any additional information is desired, every elder on Session is willing to answer questions.

SYNOD SCHOOL 2017

Let Justice Flow is the theme of this year’s Synod School. As in past years, the Presbyterian event will be held on the campus of Buena Vista University in Storm Lake, Iowa on July 23-28.

Synod School offers opportunities for laity, clergy, individuals, and families to come together for learning and a personal enrichment experience. It is for people of all ages and classes and activities are available for adults, youth, and children. Synod School creates an environment of hospitality, healing and hope.

The Stated Clerk of the General Assembly of the Presbyterian Church (U.S.A.) will serve as convocation speaker. He is the first African American to lead the denomination. This convocation speaker will guide fellow Presbyterians to reflect on the call to social justice through the eyes of Amos. There will be worship, singing, and classes. Over 80 different classes are offered, including Bible classes, mission topics, spiritual practices, and Christian life subjects. There are also “hands on” classes like tatting, zumba dancing, tie-dying, and jewelry making.

Programming for children and youth is based on the grades they will enter in August or September. They will use their senses to experience and explore the wonders of God’s creation through use of art, music, scripture, and age appropriate activities.

Accommodations are on the beautiful Buena Vista campus. Housing and food are included as part of the registration fee. Costs are reasonable and anyone wanting to attend, can apply for a scholarship through the membership committee here at church.

Synod School booklets are available in the church office or you can look online: www.regonline.com/Synod-School-2017.

PRESBYTERIAN READERS
BOOK SELECTIONS FOR 2017 READING YEAR

Presbyterian Readers will be meeting on April 6 at 7:00p.m. in the Memorial Room to discuss “Life After Life” by Kate Atkinson with Sue Parker presenting. On a cold and snowy night in 1910, Ursula Todd is born, the third child of a wealthy English banker and his wife. Sadly, she dies before she can draw her first breath. On that same cold and snowy night, Ursula Todd is born, lets out a lusty wail, and embarks upon a life that will be, to say the least, unusual. For as she grows, she also dies, repeatedly, in any number of ways. Ursula’s world is in turmoil, facing the unspeakable evil of the two greatest wars in history. What power and force can one woman exert over the fate of civilization — if only she has the chance?

OINK!!! OINK!!! CLUCK!!! CLUCK!!!

The December children's offering was large enough to purchase more than 130 pigs to be given to families around the world. We now have an opportunity to provide chickens in the same way. A high producing chicken can lay one egg nearly every day. Gifts of chickens can provide a family with an ongoing source of food and nourishment. Each "family" of chickens costs $25.

The mission team has set a target goal of $1500 for the March children's offering. This would provide 60 groups of chickens for 60 different families. If we are able to reach that goal, Pastor Nathan and various members of the Mission Team will celebrate by leading all the children in "The Chicken Dance" during a worship service. This would represent a true celebration of a generous spirit.

These gifts, as well as many others, are available for purchase from the Presbyterian Giving Catalog. Catalogs are available at the Welcome Desk.
BREAKFAST IS ON US!!!!!

First Presbyterian Church will be serving breakfast at The Banquet on Tuesday, April 25th. Volunteers are needed at 6:30. We will be finished by 8:30. Names must be submitted one week in advance....20 volunteers are needed.

Please check your calendars, put on your apron and join us for Breakfast at The Banquet.

You may call the church office(336-2886) and give your name. You may also call Ruth Parry(332-3963) or email rparry1805@aol.com. Your help will be much appreciated.

Judy Rops received word in March that the grant application she had submitted in behalf of In His Steps: Pathways for Peace, was accepted for funding. This is a Thank Offering grant from Presbyterian Women in the Presbyterian Church (U.S.A.), Inc. It means that over the next year and a half, the Mara l’il Mara Breast Cancer Project in Palestine will receive $50,000.00.

The project involves Muslim and Christian women working together to improve health and quality of life for Palestinian women living in the West Bank. The purpose of the project states as submitted in the application, “Breast cancer, the most common cancer among Palestinian women, is an urgent public health problem. This project will develop within the local health care system, a culturally sensitive program to provide quality medical services for early breast cancer detection, diagnosis and treatment (within Palestine) for the most marginalized.”

The detection of breast cancer will involve local Palestinian patient navigators trained through monies from the grant, to assist women diagnosed with breast cancer. It will also provide the navigators with skills to educate other women to do breast self-examination, improving early detection.

Judy said, “I could not have done this without the help of many people. Christy Reiners, Pat Boelman, Mary Tidwell, Kay Olson and Sue Hanneld were instrumental in their encouragement and assistance. I am excited and humbled about what this money will mean to the Palestinian women, so desperately in need of breast cancer information.”

“I am indebted to the prayers offered by so many to accomplish the writing of this grant. We have much work ahead of us.”

**Presbyterian Women Offer Adams Scholarship**

The Adams Scholarship at FPC originated in 1966 to honor Dr. and Mrs. Clarence Adams. Dr. Adams was senior pastor at First Presbyterian from 1939 -1966. Presbyterian Women created the scholarship in 1966 and have continued to support it through an annual fundraising event. Memorials, bequests, and individual contributions are also welcomed as an ongoing opportunity to support our future Christian leaders.

PW supports this scholarship to encourage men and women to prepare for roles in Christian service (ministry, mission work, church music, Christian education, etc.). Initial consideration is given to those from our church, and thereafter to outside applicants.

Scholarship forms are available in our church office or on our church website: http://fpcsiouxfalls.org/reswomen.html.

Completed applications are due May 1, 2017. If you have any questions, please contact Jackie Hove (hovejackie@yahoo.com).
