**PHYSICIANS** OF RHODE ISLAND

## Cancellation Policy

In order to provide the best possible care to all of our patients, AAPRI is instituting a Cancellation Policy.

If you do not call to reschedule or cancel your Appointment by noon (12 p.m.) on the day before your appointment (or noon on Friday for a Monday appointment) You will be charged \$50.00 if you do not come to the office.

Thank you for allowing us time to put another patient in that space if you cannot make it.
