

**New Youth Protection Training Course  
is now available and on-line at [my.scouting.org](http://my.scouting.org)**

*YPT2 completely supersedes Y01/Y02/Y03*

Long anticipated, YP2 has arrived and is implemented on line at [my.scouting.org](http://my.scouting.org). YP2 replaces the current YP Training you have been taking for Cubs/BoyScouts Y01, Venturing / Ships Y02 and Exploring Y03. Those courses are no longer available.

The new course covers the issues facing youth today, sexual, verbal, hazing, bullying and cyber abuses. How to recognize it and how and when to respond.

As part of this development there is a greatly expanded national hotline to consult on 'what if' and report abuse. BSA is also offering counseling for youth or adults who feel they have suffered or witnessed abuse.

There are also some new guidelines for age based pairings of buddies and tenting.

Please log into [my.scouting.org](http://my.scouting.org) to experience this dynamic presentation from leading experts in the field of Youth Protection Safety.

**Youth Protection is BSA's #1 priority.**
