A Christian Counseling and Training Ministry

# india MISSION

● Mumbai,  
India

**Thank you** so much for your financial and/or prayer support for our recent ministry trip to India. Ben Brezina and Mark Fields returned safely on June 19th after 10 days of fruitful ministry in Mumbai. They spent four of their days teaching in the Reaching the Lost International Bible college where they completed the Advanced Discipleship Training with 15 students. These students have been participating in our internet training program for the past year as a part of their Bible college curriculum. Many of these men and women will return to their villages and towns throughout India to start churches or assist in churches which have already been established.

In addition to the Bible college training, Ben and Mark spoke at a one-day pastor's conference. They shared our discipleship counseling process with the pastors and encouraged them in their identity in Christ. Ben and Mark also preached at several different churches and home groups, conducted a marriage seminar, led a lay-leader training seminar, and spoke at the graduation service for the Bible College students. Furthermore, they laid the groundwork for additional internet based trainings and the translation of our Living IN Jesus discipleship study into Marathi (the local language in the state of Maharashtra). Several trip pictures are included on the back of this page.

God answered our prayers for good health, strength, stamina and good weather. The Holy Spirit was present leading and guiding throughout the whole week. Please continue to pray that the seeds sown during this trip will continue to take root and grow. Ben and Mark have many testimonies, stories and pictures from their time in India. We invite you to join us on Sunday, July 15th from 3:00 p.m. to 4:00 p.m. to hear more about this trip and celebrate what God is doing in India.
