

Mitzvah Day

Temple Judea is planning to package 17,496 meals and we need your help, so please sign up below for this hands-on event that will impact lives globally. To help combat hunger in our community, we will also be collecting kosher food items for the JCS food bank. Please bring kosher items with your to mitzvah day and place them in the collection bins. There will also be opportunities to give back by enjoying a meal or sweet treat with your family and other Judea friends after mitzvah day. Several local restaurants, including Lime & Spring Chicken, have agreed to donate a percentage of their earnings to our event. Stay tuned for more details. Additional mitzvah day projects will be also be available including soul stitchers and our annual blood drive.
