

Public comment opportunity on the 2018 RTP January 15 to February 17, 2018

Your input today will help guide decision-makers as they continue to refine and focus investments before adopting the Regional Transportation Plan in late 2018.

There's a reason our region is such an extraordinary place to call home - decades of careful planning have created inviting neighborhoods, supported a diverse and growing economy, protected our farms, forestland and natural areas, and built a world-class transportation system. Because of our dedication to planning and working together, Metro is seeking your input on the priorities you want to see in the 2018 Regional Transportation Plan.

Your voice is important

The choices we make today about how we live, work and get around will determine the future of the region for generations to come.

You are invited to provide feedback on the plan during the **public comment period from Jan. 15 through Feb. 17, 2018.**

The 2018 Regional Transportation Plan provides the opportunity to update the investments we will make in roads, sidewalks, bikeways, transit and freight routes to support communities today and in the future. This update is an opportunity to define how we will create a safe, reliable, healthy and affordable transportation system for the next 25 years.
