Dear Michael and all of SLA,

Thank you for making me an Honourary Life Member. I am so pleased to be a member of such a great organization. The conference was a great success, I understand, and I regret not being able to postpone my trip to San Francisco to join you at Elk Ridge.

I am so proud to be a member of such an undervalued profession. Even more so, as I saw and participated in the successful lobbying of the provincial government to restore funding to public libraries this year. That was amazing! I regret we were unable to be as successful supporting libraries in other venues in the past, such as government agency libraries and those in postsecondary institutions. Let us hope that we can continue providing moral and lobbying support for all libraries throughout the coming years.

I look forward to keeping in touch with all Saskatchewan libraries through this wonderful organization. I wish you all success.

Thank you again for this honour.

Yours truly,

Audrey Mark
