

Master & Commander by Patrick O'Brian
Wednesday, May 3 at 7:00

Historical fiction, 1970.

This, the first in the series of Jack Aubrey novels, establishes the friendship between Captain Aubrey, R.N., and Stephen Maturin, ship's surgeon and intelligence agent, against the thrilling backdrop of the Napoleonic wars. Details of life aboard a man-of-war in Nelson's navy are faultlessly rendered: the conversational idiom of the officers in the ward room and the men on the lower deck, the flood, the floggings, the mysteries of the wind and the rigging, and the road of broadsides as the great ships close in battle.
