

Sans Studio Materials List

1. Your choice of small-ish sketch pad.
(Probably best if it's no larger than 11x14. 9x12 or 9x9 is great!)

2. Sketching pencils.

Please bring the following items if you think you might wish to use them.
We can leave things in the studio if we know we won't be using them on a given outing, (e.g. the museum).

Lightweight camp stool

Portable plein air easel

Drawing media (colored pencils, markers, crayons, etc.)

Painting media (watercolors, acrylics, oils for outdoor neighborhood painting)

Other favorite equipment, clothing (hat?) or materials. Keep it light!
