### True Colors® Personal Success: \$35

This foundational interactive session introduces participants to the powerful True Colors concepts. Participants will determine their True Colors personality spectrum including their most dominant color style and learn to recognize the True Colors of others. The True Colors method directly relates to the discovery of personal success in relationships and job performance as well as self-awareness.

**Morning Session - Maximum 30 participants**

### True Colors® \$35 Keys to Successful Teaching

(Prerequisite - True Colors® Personal Success)

This interactive workshop requires the booklet, "Keys to Successful Teaching" (\$21.00), available for purchase on the day of training.

True Colors, Keys to Successful Teaching will help you identify your individual personality type and unique teaching style preference. We will discuss various learning styles and instructional strategies to enhance your interaction with students. Recognizing your teaching style and the student's learning style will help you create an equitable learning environment where students engage in differentiated learning opportunities and activities that meet their needs. This knowledge also can help you develop different strategies pertaining to classroom management, generating cooperation and promoting character development in the classroom.

Upon completion of the workshop, you will receive a authentic True Colors Certificate of Training.

**Afternoon Session - Maximum 30 participants**

Open to all educators, and community members
