

NORTHERN TERMINUS TRAFFIC STUDY

COMMUNITY MEETING

The Illinois Department of Transportation and the Chicago Department of Transportation have initiated the Northern Terminus Traffic Study (NTTS). The purpose of the NTTS is to address the transportation issues at the northern terminus of North Lake Shore Drive at Hollywood Avenue. This study is complementary to the Phase I Study on North Lake Shore Drive (NLSD) from Grand Avenue to Hollywood Avenue.

Come to the upcoming Community Meeting and tell us what the issues are and share your ideas for future improvements!
