NORTH LAKE SHORE DRIVE PUBLIC MEETING

Help us continue to improve North Lake Shore Drive!

The Illinois Department of Transportation and the Chicago Department of Transportation invite you to attend the third public information meeting concerning the improvement of U.S. 41 (North Lake Shore Drive) from Grand Avenue to Hollywood Avenue in Chicago. Since the last public meeting, the project team has been evaluating your ideas for improving North Lake Shore Drive.

The purpose of the meeting is to present the initial range of alternatives and obtain feedback from the public. The meeting will be held in an open house format from 3 to 7 p.m. on July 12. Exhibits will be on display, and an audio-visual presentation will be shown continuously during the meeting. Project team members will be present to discuss the project and answer questions.
