Bold Disobedience: Opening Reception

[READ MORE](#)

Greetings!

SCY believes gun violence is a matter of health and safety, not politics. Easy gun accessibility contributes to the violence in Chicago--conflicts that might have ended in an argument or fistfight can turn deadly in an instant. As part of [National ASK day on June 21](#), we encourage you to promote the idea that asking one simple question has the power to save a young person's life. Anyone can make a difference by asking, and encouraging other to do the same.

Sincerely,

Rebecca Levin, MPH  
Director, Strengthening Chicago's Youth  
Strategic Director, Injury Prevention and Research Center
