Strengthening
Chicago's
Youth

Letter from the Director

Greetings!,

Gun injuries are the leading cause of death among children across Illinois. Yesterday, we were proud to stand alongside State Senator Don Harmon (D-Oak Park) and State Representative Kathleen Willis (D-Addison), children's hospitals, child health organizations and violence prevention advocates in support of the **Gun Dealer Licensing Act** (SB1657) to curb a major source of illegally trafficked firearms from entering our communities where our children live. It's not enough to say we've had enough. **Call your legislator TODAY** to support the Gun Dealer Licensing Act to keep our kids safe.

Sincerely,

Rebecca Levin, MPH

November 16: Training Series

Introduction to Kingian Nonviolence

FEATURED ARTICLE: SCY TRAINING SERIES

Introduction to Kingian Nonviolence

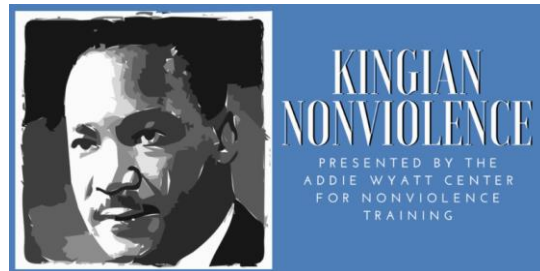

Kingian nonviolence is a philosophy of nonviolent conflict reconciliation in the tradition of Dr. Martin Luther King, Jr and the organizing strategies of the Civil Rights Movement. [The Addie Wyatt Center for Nonviolence Training](#) has developed a curriculum based on the Six Principles and Six Steps of Kingian Nonviolence, the fundamental tenets of Dr. King's philosophy as described in his first book, *Stride Toward Freedom*. This [training](#) is a brief introduction to this philosophy and its principals and practices.

Learning objectives

- Participants will learn about Dr. King's principles of nonviolence
- Participants will be introduced to Dr. King's methodology to create lasting social change through nonviolent action
- Participants will reflect together on how to apply some of these teachings to their current environments
