CLASSIFICATION/CATEGORIES: CMP/NRA High Power Classification will not be used. Each competitor will be placed in a special category of Military/Police (Includes Reserve & National Guard), Civilian, Women, Senior (60 years old or older) or Junior (20 years old or younger). To be defined as a "Junior team", all four team competitors must be juniors. Secondary categories will be assigned to those permissible.

AWARDS: Awards will be given to overall Match Winner, Top Team and Top Junior team based on aggregate high score. Special individual awards will be given to High Military/Police, Junior, Woman, and Senior. Lesser awards may be announced. Teams or individuals will win only one (1) award in the order of assigned categories. Any team having less than four (4) shooters will not be eligible for team awards and members may compete for individual awards only.

CHALLENGE PERIOD: The challenge period ends ½ hour after the posting of the match results.

RESULTS BULLETINS: Result bulletins will only be mailed to those people requesting them. The match results will be posted on the ASRPA junior high power team and/or Washington's Birthday match website(s).

EQUIPMENT: NRA/CMP authorized service rifle sling, glove, coat, mat and equipment may be used. No sandbags or bipods permitted. It is recommended to bring a hat, sunscreen, eye protection, and a range bag, backpack, water or lunchbox for use while on the line or in the pits. Water may not be offered on premises. The stats office will have ear protection available to anyone in need.

AUTHORIZED ARMS: Shooters may use a NRA/CMP Service Rifle or any military, military-surplus or military-style rifle in as-issued condition, NRA/CMP Match Rifle, or other rifle approved by the match director. Optical sights are permitted on modern semi-auto rifles.

AMMUNITION: Competitors must furnish their own safe ammunition provided they have the following characteristics. Ammunition may be commercially manufactured or handloads. The projectile will have an 8mm caliber maximum. There will be no restrictions placed on bullet weight or muzzle velocity. No tracer or incendiary ammunition is permitted.

RIFLE SAFETY: Rifles to be pointed downrange at the impact area when loading and when closing the bolt. An approved NRA empty chamber indicator is required to be used at all times except during the preparation period and when firing your relay. Those not having an ECI may purchase one at the stats office for \$1.00 each.

SQUADING: All matches will be squadded on the line. Squadding tickets will be issued by the stats office approximately one half (1/2) hour before match start times. A competitor who fails to obtain his/her squadding ticket prior to the safety briefing announcement will only be squadded to fill vacancies. ASRPA Membership cards must be shown before squadding tickets will be issued or a \$5.00 membership match fee will be charged.

TARGET SERVICE: Each team will provide one competitor to service the target (relay 3 or 4 pulls target for relays 1 & 2) unless prior approval has been given by the match director (for ADA purposes only). Competitors not performing their target duties will be disqualified as the match cannot continue without adequate target service.

SCORING: Each team will provide one competitor to be a score keeper to another team (relay 1 or 2 scores for relays 3 & 4). Each competitor shall record individual shots and a total score for each stage, combining all stages for an aggregate individual match score. Each team shall record individual scores for each team member, combining all scores for an aggregate team match score. Competitors not performing their scoring duties will be disqualified.

COURSE OF FIRE: A modified 50-shot National Match Course in a 4-man team, all fired at 200-yards. The match will start with 3-sighting-shots from any position. Stage 1: Slow fire, 10-shots standing, Time: 29-min. block time for 2 shooters, at 200-yds (SR target). The sling must be attached to the rifle (for service rifle only) but must not be used for support; Stage 2: Rapid fire, 10-shots sitting/kneeling, Time: 70-sec., at 200-yds (SR
