Sports Outreach Trip
San Lucas Tolimán, Guatemala
July 6-14, 2018**

Trip Overview

We are going back to Guatemala with a group of rising High School Juniors/Seniors and College Students. During this weeklong trip, we will:

- (1) play in basketball and soccer tournaments in San Lucas Tolimán and the surrounding region
- (2) facilitate basketball and soccer clinics for youth of all ages in San Lucas Tolimán and the surrounding region
- (3) help build a low-cost home
- (4) construct and deliver fuel-efficient, vented cooking stoves (reducing respiratory disease and fuel consumption)

Cost

The cost of this trip will be approximately \$1,600 per person. Our group will focus on inviting others to partner with us by making material donations, rather than financial ones. We will also be conducting 2 fundraisers to help pay for building materials of a home and stove.

Partner Organization

Promised Land Ministries (PLM) is a non-profit organization which has been working around Lake Atitlan with local churches and short-term mission teams promoting education, health, nutrition for the past 20 years. They operate as a part of Global Action International, a 501 (c)(3) non-profit corporation. Their vision is to reverse the generational cycle of poverty by focusing resources and mobilizing people to use their time and talents in an effort to reach out to communities and provide opportunities for sustained growth and well-being. PLM works on behalf of the children around Lake Atitlan, providing opportunities for their betterment. Feeding programs, school sponsorship, Promised Land School and medical clinic are the pillars to change lives.

Our trip leader is Jorge Santizo, Missions and Development Director for PLM.
