Our roses are coming from STAR ROSES and WEEKS ROSES and pictures can be found in catalogs (available for viewing at our store) or on their websites.

Hybrid Tea & Grandiflora

The following roses are grown for the individual beauty of each flower. All make excellent cut flowers. These make the largest flowers either one to a stem or in small clusters.

__Apricots & Cream \$22.99

Large, cupped flowers of light pastel apricot. Little fragrance. Medium height bush is highly resistant to disease.

__Baronne de Rothschild \$22.99

Large, heavily petaled, ruby red with cream reverse has strong spicy fragrance. Tall bush with little disease. Award-winning rose from Europe.

__Cherry Parfait \$22.99

White buds open red. Similar to "Double Delight" but starts out more true white and turns deeper red. Foliage is also deeper green. Won a local award at Rose Hills. Little scent.

__Dark Night \$19.99 NEW

Dark velvet red with yellow cream reverse. Good form and heat tolerance. No fragrance. Medium to tall bush.

__Dee-lish \$22.99

Old fashioned, heavily petaled, deep pink with strong fragrance and little disease. 2016 fragrance award winner. Tall bush.

__Dolly Parton \$16.99

Hot orange-red, high-centered, balloon-like flowers with strong fragrance. Perfectly named standout.

__Double Delight \$16.99

Vanilla dipped in strawberry flowers with strong fragrance. Medium height bush gets a bit of mildew. Best of the bi-color roses. MOST POPULAR ROSE

__Electron \$16.99

Huge, hot pink flowers have good fragrance. Medium height bush has unusually large leaves and dense habit. Little disease.

__Falling in Love \$19.99

Warm pink opening to porcelain white with strong fragrance. Lots of long lasting flowers on tall stems. This daughter of "Moonstone" is destined to win rose shows.

__Firefighter \$19.99

Overall best red is the best combination of size, fragrance, disease resistance, repeat, and color. Tall bush gets little disease.

__First Prize \$16.99

The large shapely flowers are swirls of light and deep rose pink. Medium height upright bush is a prolific bloomer. The top award-winning rose of the 1970's.

__Francis Meilland \$22.99

Large shell pink flowers with 60 petals, strong fragrance, little disease. Tall bush.

__Gemini \$19.99

Large cream flowers with edges deepening to coral pink with mild papaya fragrance. Long-lasting flowers are prolific on a tall bush with little disease. Winner of several awards.

__Grande Dame \$19.99

Old fashioned, large, deep rose pink, intensely fragrant flowers in nodding clusters. Tall bush gets little disease.

__Ingrid Bergman \$22.99

Best red rose for display in the garden and is one of the top roses of the World. Lots of nearly perfect flowers,

good color, very little disease, some fragrance.

__Ink Spots \$16.99

Black red flowers, little fragrance, no disease, long stems. Darkest red we've seen. Tall bush.

__Just Joey \$16.99

Warm apricot, huge size, good fragrance, little disease. Very impressive blooms especially during cool weather. Medium height bush.

__Marilyn Monroe \$19.99

Large, full flowers are blonde (apricot cream with slight green tints) with light fragrance. Medium to tall bush gets little disease.

__Memorial Day \$19.99

Huge, heavily petaled, orchid pink flowers with very strong damask scent. Loves heat. Medium to tall bush has few thorns on the cutting stems. Very disease resistant.

__Mister Lincoln \$16.99

Huge deep red rose with velvet petals. Wonderfully fragrant flowers are perfect in mild weather. Poor performance in reflected heat. Tall bush gets some mildew. Still popular.

__Moonlight Romantica \$22.99 NEW

Large English-style flower with lots of petals that are light yellow fading to cream. Powerful fragrance. Tall bush is disease resistant.

__Moonstone \$19.99

Huge, shapely white flowers finely edged in pink has the appearance of fine porcelain. Little fragrance. Very long cutting stems. Medium to tall bush with little disease. Perhaps the top *show rose* of all time.

__Neptune \$19.99

The large flowers are rich lavender with slight purple edging and have a very strong fragrance. Good disease resistance on a medium height bush. Our best mauve hybrid tea.

__New Zealand \$16.99

Creamy coral pink blend with powerful fragrance, little disease. This was the first rose to combine great fragrance with good disease

resistance and long vase life. Medium height bush.

__Olympiad \$16.99

Clearest true red, long lasting bloom, little fragrance. Very long stems, little disease, loves heat.

__Parade Day \$22.99 NEW

Medium size flowers are swirls of white and fuchsia pink stripes with strong, spicy citrus fragrance. Tall bush. Grandiflora type.

__Paradise \$16.99

Large flowers are lavender with ruby edges that deepen with heat. A good show with moderate fragrance. Medium height bush gets little mildew. Winner of several awards.

__Peace \$16.99

Very large flowers are lemon yellow edged with pink. Little fragrance. Medium height bush gets little disease. Smuggled out of France during WWII, this award winning rose is considered to be the first "modern" hybrid tea.

__Peter Mayle \$22.99

Very large, deep pink, very heavy fragrance, little disease. Tall bush.

__Pope John Paul II \$19.99

Powerfully fragrant white, heavily petaled bloom with excellent form. Medium/tall bush with little disease.

__Pretty Lady \$22.99

Large old-fashioned flowers of deep, non-fading, dark pink with spicy fragrance. The medium height bush gets little disease

__Princesse Charlene de Monaco \$22.99

Old-fashioned, fully double, 100 petals, light apricot to shell pink with very strong fragrance. Medium to tall bush gets little disease. NEW

__Radiant Perfume \$19.99

Deep yellow flower with excellent fragrance. Medium height bush with little disease. This combines a lasting deep yellow color with fragrance. GRANDIFLORA

__Rio Samba \$16.99

Medium size flowers glow deep yellow blushing scarlet. Medium size bush gets little disease and is notably early to bloom and repeats well. Best near coast.

__Rock & Roll \$19.99

Medium size cream flowers are striped and speckled with burgundy and have a strong fruity fragrance. Medium height bush. GRANDIFLORA

__St. Patrick \$19.99

Green buds open to cool yellow, deepens to gold, little fragrance, little disease. Longest lasting yellow flowers. Loves heat. TOP YELLOW

__Sugar Moon \$19.99

Big, heavily petaled, super fragrant, pure white flowers with contrasting dark foliage. Tall, upright bush gets little disease. TOP WHITE HYBRID TEA.

__Sweet Mademoiselle \$22.99

Large, old-fashioned flowers vary from peach-pink to apricot (hot weather) with strong, sweet fragrance. Tall bush. NEW

__Sweet Surrender \$16.99

Medium pink, old-fashioned, heavily petaled, flowers are strongly fragrant. Medium height bush with straight stems, little disease.

__Traviata \$22.99

Old fashioned, heavily petaled, quartered deep red flowers with light fragrance. Tall bush with little disease.

__Twilight Zone \$19.99

Deep purple velvet, old-fashioned flowers with strong clove scent. Medium height bush with little disease. GRANDIFLORA

__Valencia \$16.99

Creamy apricot/copper with strong fragrance and long vase life. Little disease on a medium height bush.

__Veterans' Honor \$19.99

Huge, brilliant red, perfectly formed flowers with little fragrance. Tall bush with little disease. This has been the

top rose show winner among red roses.

__Yves Piaget \$22.99

Deep mauve pink with big, highly fragrant bloom, great production, little disease. Short to medium bush. This is one of the best roses ever but is essentially an English rose on a short hybrid tea bush.

Floribunda & Shrub Roses

The following roses are grown for the color impact they make in the garden. These generally have somewhat smaller flowers that occur in clusters.

__Angel Face \$16.99

Medium mauve blushing rose with strong citrus fragrance. Continuous bloom with little mildew. Low rounded bush.

__Brick House \$22.99

Deep brilliant red with little fragrance. Heavy flower production. Medium height bush is very disease resistant. NEW

__Chihuly \$19.99

Flowers open apricot-yellow (subtly-stripped) and blush to orange and deep red. Nice size and form with little fragrance. Medium height bush gets little disease. Award winner.

__Distant Drums \$16.99

Tan buds change to cream and mature orchid pink. Interesting color and myrrh scent. Medium height bush gets little disease.

__Easter Basket \$22.99

Large creamy yellow flowers edged in pink. Long lasting flowers are ruffled. Medium height bush

__Easy on the Eyes \$16.99 NEW

Medium small lavender pink flowers with magenta purple "eyes". Very heavy bloom in small clusters with good citrus fragrance. The medium height bush is very disease resistant.

__Ebb Tide \$19.99

Deep purple old-fashioned flowers with strong clove fragrance. Medium height, upright bush bloom better with age.

__Eyeconic Lemonade Mango \$22.99

Apricot buds opening to pink with red "eye". Bushy, compact growth to 30" high. Little disease, slight fragrance. NEW

__French Lace \$16.99

Ivory buds open to large, pastel white flowers with perfect form and slight fragrance. Medium height bush get little disease.

__Frida Kahlo \$22.99

Small clusters of medium size flowers than open with scarlet and gold stripes blushing to red. The medium height upright bush is very disease resistant. This new rose is named for the famous Mexican painter.

__George Burns \$19.99

Large, fragrant double yellow flowers painted with deep red to rose stripes and blotches. Low to medium height bush gets little disease. Currently the most popular striped rose.

__Gingersnap \$16.99

Glowing light orange blend. Medium height bush. Great color but not a heavy bloomer.

__Gourmet Popcorn \$14.99

Miniature, fragrant, white flowers in large clusters. Medium height, slightly cascading bush. No disease.

__Iceberg \$16.99

Medium size white flowers mild fragrance. This is a great bloomer. Mildew prone when placed near walls. Wonderful in medium strips. Medium to tall bush. The most common rose for mass plantings.

__Julia Child \$19.99

Deep yellow gold with strong fragrance and little disease. Low to medium rounded bush. Very nice!

__Orchid Romance \$22.99

Medium size old-fashioned deep lavender pink flowers with strong

citrus fragrance. Medium bush is very disease resistant.

__Purple Tiger \$16.99

Medium size, heavily petaled flowers of purple, lavender and white stripes, speckles, and streaks. Strong citrus fragrance. Low bush is mildew resistant.

__Sexy Rexy \$16.99

Awesome display of soft coral pink blooms. The medium height bush is totally covered in flowers in mid spring. Little disease.

__Showbiz \$16.99

Medium size flowers of fire engine red. The low, rounded bush has dark foliage and is highly disease resistant. Always blooming. Great for mass plantings.

__Sparkle & Shine \$19.99

Clusters of clear yellow fragrant flowers. The medium height rounded bush is highly disease resistant. Good for hedge.

__The Knockout Coral \$16.99

Medium size flowers open brick orange maturing to light salmon. Upright form to 50" and wide. Extremely disease resistant and low maintenance.

__The Knockout White \$16.99

Pure white single petaled flowers. Very heavy, constant bloom contrasts with dark burgundy green leaves. The highly disease resistant bush grows 40" tall and wide.

__Top Gun \$16.99 NEW

Semi-double blend of pure red and burgundy in small clusters have a light fruity fragrance. The medium height bush is highly disease resistant and blooms very heavily all year.

__Trumpeter \$16.99

Brilliant orange red flowers with little fragrance. Long lasting and everblooming with little disease. Compact low bush.

__Vavoom \$19.99

Medium size, heavily petaled, fragrant flowers are the color of orange juice. The compact bush is low.

__Yabba Dabba Doo \$16.99

Hydrangea-like clusters of glowing coral with yellow 'eyes'. The low, rounded bushes are always covered with flowers. Little disease.

Climbing Roses

The following roses are large plants with long rambling stems best displayed on a support.

__Altissimo \$16.99

Single petaled deep, clear red flowers in small clusters. Constant color, little disease. Can be used as pillar or climber to 10'.

__Cloud 10 \$22.99

Pure white, old-fashioned flower with musk fragrance. Disease resistant to 8' tall; can be used as a shrub.

__Eden Climber \$22.99

Big old fashioned flowers, pink opening cream, little disease or fragrance. Grows 10-12'. VERY POPULAR

__Fourth of July \$19.99
