*This is not an automatic Skip-A-Payment. You must contact ABFCU to skip your payments. Interest will continue to accrue on the loan(s) from the date of the last payment, and it will take longer to pay off the loan than if payments weren't skipped. If you skip a month of payments, your next payment will be due by the due date in the month following your skipped payment(s). To be eligible for the Skip-A-Pay offer, members must be in good standing. Good standing is defined as "A member that is current on their loan(s), has not had a delinquency within the past three months and is not overdrawn in their checking account." All loan types might not be eligible for payment deferral until 2018.
