10. Salons/Spas: I can't help but notice how hard your stylists work every time I'm here. I would love to spoil them with a style session and our new collection just launched. 11. Boutiques: This is the cutest store and I love shopping in here! I just know my friends and customers would go crazy in here, too. 12. Community Events: It's always so fun to meet the other vendors at these events. Here's a Look Book of our latest collection to flip through if you have a slow time. We just launched our new collection, pop down and see me at my booth to check it out! If you see something you like, let me know.
