MISSION STATEMENT

Saint Elizabeth Ann Seton Catholic School fosters spiritual development, academic excellence, responsibility to self, and service to others. As inspired by Saint Elizabeth, the Holy Family, and Our Heavenly Father we believe our greatest mission is to embrace God's will, serve the needs of others, lead by example, strengthen and inspire our community and live by faith, truth and love.

VISION STATEMENT OF SAINT ELIZABETH ANN SETON CATHOLIC SCHOOL

Fostering growth in our Catholic life by following God's will through our mind, heart, and soul

SCHOOL IDEAL

Be it known to all who enter here that
Christ is the Reason for this School,
the unseen but ever present Teacher,
the Model of the faculty,
the Inspiration of its students.

TEACHER IDEAL

Saint Elizabeth Ann Seton Catholic School seeks teachers, whose lives express a Christian approach to learning and living, offering the children the opportunity to witness religious truth and values integrated into their daily lives. The teachers at Saint Elizabeth Ann Seton Catholic School are degreed, licensed and qualified to teach the children in their care.

PRINCIPAL-TEACHER RIGHTS

School authorities have the right to establish and enforce rules of conduct in order to maintain a proper atmosphere for learning. School regulations are designed to control behavior that disrupts the classroom, interferes with discipline, or infringes on the rights of others. The school reserves the right to inspect all school and/or personal property at any time it is deemed necessary. All parents and students attending Saint Elizabeth Ann Seton Catholic School will respect and follow the guidelines established by the administration.

STUDENT RIGHTS

Students will be dealt with fairly, with an adequate opportunity to present their version of a situation. Each student has the right:

- to an education
- to an atmosphere conducive to learning
- to fair treatment
- to the consideration and concern of teachers and fellow students

PARENTS AS PARTNERS

As partners in the educational process at Saint Elizabeth Ann Seton Catholic School, we ask parents:

To set rules, times, and limits so that your child:

- Gets to bed early on school nights;
- Arrives at school on time and is picked up on time at the end of the day;
- Is dressed according to the school dress code;
- Completes assignments on time; and
- Has lunch money or sack lunch every day.

To actively participate in school activities such as Student-Led Conferences;

To see that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student;

To notify the school by phone or email when the student has been absent or tardy;

- To notify the school office of any changes of address or important phone numbers;
 - To meet all financial obligations to the school;
 - To inform the school of any special situation regarding the student's well-being, safety, and health;

- To support the student as they take responsibility for his/her behavior and academic success.**

PARENT'S ROLE IN EDUCATION

We, at Saint Elizabeth Ann Seton Catholic School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life--- physically, mentally, spiritually, emotionally, and psychologically. Your choice of Saint Elizabeth Ann Seton Catholic School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at Saint Elizabeth Ann Seton Catholic School, we trust you will be loyal to this commitment. During these formative years (Pre-K to 8), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. This responsibility also extends to times of absence. **It is also essential that a student takes responsibility for his/her behavior.**

Together, let us embrace this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

PRINCIPAL'S RIGHT TO AMEND A HANDBOOK

The principal retains the right to amend the handbook for just cause. If changes are made, parents will be notified as soon as possible.

Waiting List Policy

Saint Elizabeth Ann Seton Catholic School offers a Waiting List when enrollment demands exceed the maximum number allowed per grade. A new waiting list is established each year.

While the pastor, in consultation with the principal, will make the final determination as to who is enrolled at Saint Elizabeth Ann Seton Catholic School, the Saint Elizabeth Ann Seton School Board, has determined the prioritization for admitting new students to the school by using a classification system. Please note that before a student on the waiting list can be admitted, all other admission requirements must be met.

Classification A:

The first group of families that will be considered for enrollment are families who are registered and active parishioners of Saint Elizabeth Ann Seton Catholic Church and have other children attending Saint Elizabeth Ann Seton Catholic School. Active parishioners are considered those who attend Saturday evening/Sunday Mass each week as well as complete and fulfill annual stewardship of time, talent, and treasure. Prioritization among students in this group will be based on the parish registration date.

Classification B:

The second group of families that will be considered for enrollment are families who do not have any children enrolled at Saint Elizabeth Ann Seton Catholic School but are registered and active parishioners of Saint Elizabeth Ann Seton Catholic Church. Active parishioners are considered those who attend Saturday evening/Sunday Mass each week as well as complete and fulfill annual stewardship of time, talent, and treasure. Parents from Saint Elizabeth Ann Seton Catholic Church who have children in Saint Elizabeth Ann Seton Catholic School Preschool will have priority for admittance into Kindergarten. Prioritization among all other students in this group will be based on the parish registration date.

Classification C:

The third group of families that will be considered for enrollment are families who are registered and active at other Catholic parishes. Please note that families in this group must pay the full cost of tuition per student unless the pastor of their parish determines that their parish will subsidize the student. Prioritization among students in this group will be based on the date of completed admissions forms. Once an individual student is admitted into the school, admittance each year thereafter is guaranteed as long as renewal is made within the enrollment period. Siblings within this group will be evaluated on an individual basis.

Classification D:

The fourth group of families that will be considered for enrollment are families who are not active parishioners of Saint Elizabeth Ann Seton Church or any other parish, not registered at a parish and/or not Catholic. Please note that families in this group must pay the full cost of tuition per student. Prioritization among students in this group will be based on the date of completed admissions forms. Once an individual student is admitted into the school, admittance each year thereafter is guaranteed as long as renewal is made within the enrollment period. Siblings within this group will be evaluated on an individual basis.

ATTENDANCE/ABSENCE

If your child will be absent for the day or tardy because of an appointment, parents are required to call school by 8:00 AM. Excessive tardies interfere with the child's learning instruction and can result in further disciplinary actions. A student is tardy if he/she arrives later than the time designated for the beginning of the morning and/or afternoon sessions. Students are not marked tardy if riding on a bus that is late. Saint Elizabeth Ann Seton Catholic School follows the Diocesan policy for Irregular/Unexcused Student Attendance.

- A. After a student is absent for 10 days per school year, the administration may make contact with the student's parent/guardian. The date and content of this contact shall be documented.
- B. After a student is absent over twelve (12) days per school year, a conference with the teacher and/or administrator may be held with the parent/guardian and the student. An attendance contract may be established at this time and documentation shall be kept.
- C. After a student is absent over fifteen (15) days per school year, a referral may be made to the principal. If the principal is unable to successfully resolve the attendance problem, a referral may be made to the YMCA Status Offender Court Alternative Program (SOCAP). **Also, unless approved by the administration, days absents after 15 are considered unexcused.**
- D. The administration may request a doctor's note if there is excessive absenteeism. Notes are to be presented to the homeroom teacher immediately upon the student's return. The notes are then sent to the office.

In addition, for every four (4) unexcused tardies a student receives, this is equivalent to one-half (1/2) day absence. A tardy for a medical reason is considered an excused tardy.

Excessive absences affect the child's learning instruction. As far as possible, appointments for dentists or doctors should be outside school hours. When this is not possible a note, e-mail, or phone call stating the reason for leaving and the time a child needs to leave can be given to the office and teacher. No child will be excused from school during the day without a written or personal request from a parent or guardian. The school reserves the right to deny early or special dismissal to anyone other than the parent or guardian. If a student becomes ill during the school day, he/she will be sent to the office, at which time it will be determined if the parent/guardian needs to be contacted.

When a student is absent from school, a parent should call the office by 8:00 AM each day of the absence. If the office does not receive a call, a parent will be contacted. This policy is for the protection of the Saint Elizabeth Ann Seton Catholic School students.

Students should be fever free for 24 hours before returning to school.

All teachers will review their absent/return to school homework policy and procedures at Back-to-School Night.

SCHOOL HOURS

School is in session from 7:45 AM (grades 5-8) or 8:00 AM (grades Preschool-4) through 3:15 PM. Students are allowed to go to their classrooms at 7:35 AM (grades 5-8) or 7:45 AM (grades Preschool -4). We encourage parents not to drop off their children before 7:35 or 7:45 AM. Students that arrive earlier these times will be supervised in the cafeteria.

SCHOOL OFFICE HOURS

The School Office is open on all school days from 7:15 AM – 3:45 PM. In July, the office has varied hours. Beginning in August, the office is open 7:15 AM – 3:45 PM.

VISITORS

School visitors (volunteers, parents, etc.) must come to the main office. Do not go directly to your child's classroom. For safety and security reasons, each person is required to sign in at the office when he/she enters the building for any reason. All visitors and/or volunteers are required to wear a designated name tag that may be picked up in the office. Parents who volunteer to serve lunch or who volunteer in another capacity in the school may not drop in to a classroom to see their student during the day. This is an interruption to the teacher and to the educational process.

SCHOOL PROPERTY

The parent of a child who carelessly destroys or damages any furniture, equipment, buildings, or anyone's personal property will be obligated to pay the full amount of repairs and labor or replacement. Textbooks rented by the student must have a proper book cover. No writing in rented textbooks is permitted. The student will pay a fine or replacement for damaged or lost texts before any final reports, transcripts, or diplomas are presented.

SCHOOL SAFETY

Saint Elizabeth Ann Seton Catholic School provides a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (**seriously, in jest, or online**) face detention, suspension, and/or expulsion.

Harassment of any type is not tolerated. The administration investigates all complaints of harassment. Students involved in harassing behavior face detention, suspension, and/or expulsion.

Engagement in online blogs such as, but not limited to, MySpace.com®, Xanga®, Friendster®, Facebook®, etc. may result in disciplinary actions if the content of the student's blog includes defamatory comments regarding the school, the faculty, other students or the parish.

OFFICE RECORDS

Parents/Guardians are requested to notify the School Office in writing of any change of address, home telephone numbers, cell phone numbers, business phone numbers, e-mail addresses and/or phone numbers of emergency contacts. This will guarantee that office records are accurate, complete, and up-to-date.

VACATIONS

Absences related to travel and vacation trips are to be reported to the office and teacher, prior to the student's departure. It is the policy of Saint Elizabeth Ann Seton Catholic School that no homework will be sent with the student leaving for vacation. The student will be responsible to make up all work missed. Vacations while school is in session are highly discouraged.

TRANSPORTATION POLICY

Saint Elizabeth Ann Seton Catholic School A.M. Arrival

Saint Elizabeth Ann Seton Catholic School will open to students at 7:00 AM. All students will arrive and enter through door number 28 (Atrium) and head down to the cafeteria until dismissed to classrooms. Please be aware that students going into Saint Elizabeth Ann Seton Catholic School **before 7:35 AM (grades 5-8) or 7:45 AM (grades preschool-4)** are not allowed into their classroom, but rather they go to the cafeteria until 7:35 or 7:45 AM.

At Saint Elizabeth Ann Seton Catholic School when driving into the parking lot, please drive completely around the perimeter of the lot along the east side of the lot by the playground/Media Center and follow up to the curb in front of the building. Please do not drive down the other parking aisles towards the curb as this disrupts the current system and is not safe for anyone walking in the lot.

Please beware of and follow the directions of all staff/faculty that are directing traffic in the parking lot. They are doing their best to ensure that vehicles move quickly and easily, but most importantly, the safety of all students, parents, and guardians.

All cars must pull all the way down to the designated orange pylon (even during inclement weather).

Doing so will allow several cars to unload simultaneously, providing a faster, more efficient drop off system for everyone involved. If the weather is a problem for your child, then we suggest you park your car and walk your child to the door.

Please have your children ready to exit the car immediately upon arrival at the curb (coats and shoes are put on at home, papers already in backpacks, etc.). This will help the process move more smoothly for all.

Children should always exit the car on the **CURB SIDE ONLY**. For their own safety, **NEVER** allow your children to exit the car on the parking lot side. Parents/drivers should stay in their cars while in the car drop off line, and should not get out of the car to open the door for children. This process is too time-consuming, in which it slows down the process and flow of vehicles. If your children have trouble opening the door by themselves, need extra assistance with car seats, book bags, etc., or you would like to spend more time dropping them off, please park your car in the parking space and walk your children up to the door using the designated crosswalk.

Please be patient in the car line and **NEVER** drive around and pass the other cars in the line. This is important for the safety of all the children, especially the walkers in the parking lot. Always be aware that there will be children also walking in the parking lot and drive carefully. Never drop off your children in front of the shuttle bus. This is for the safety of the students and parents.

At 7:35 or 7:45 AM, students will be dismissed from the cafeteria or gym and will be allowed into classrooms. School starts promptly at **7:45 (grades 5-8) or 8:00 AM (grades preschool-4)**. Students who are not in class by the bell will be counted tardy/absent.

***On scheduled one-hour delay days, Saint Elizabeth Ann Seton Catholic School offers supervision beginning at 7:00 AM. There is no cost to our families for this supervision.*

Saint Elizabeth Ann Seton Catholic School AND SACS School Buses

We expect our students to be respectful on the bus and towards the equipment (no destroying or vandalizing of bus, seats, etc.) used to transport them. This includes behavior as well as treating the bus driver and peers with respect. Those students who misbehave on SAINT ELIZABETH ANN SETON CATHOLIC SCHOOL and SACS buses could be in danger of losing the privilege to ride those buses. The Administration of SAINT ELIZABETH ANN SETON CATHOLIC SCHOOL and SACS work cooperatively to ensure bus safety.

Southwest Allen County Schools follows the Saint Elizabeth Ann Seton Catholic School handbook in managing student behavior on school buses. All of the Saint Elizabeth Ann Seton Catholic School and SACS school buses are equipped with audio and video systems for the management of students. The tapes or DVD drives are only used by the Saint Elizabeth Ann Seton Catholic School administration and SACS administration.

SAFE AND SECURE SCHOOL

Because we are concerned with the safety and well-being of our students, our school has prepared a Crisis Plan. This plan enables us to address various situations which involve the students, faculty, and parents. This plan is a way to provide support to all involved at Saint Elizabeth Ann Seton Catholic School.

SECLUSION AND RESTRAINT POLICY AND PLAN

Saint Elizabeth Ann Seton Catholic School believes a safe and healthy environment should be provided in which all children can learn, develop, and participate in instructional programs that promote high levels of academic achievement. As an Indiana accredited non-public school, state law requires that our school has a Seclusion and Restraint Policy and Plan. The purpose of the plan is to insure that all students and staff are

safe in school, and that students who may have behavior crises are free from inappropriate use of seclusion or restraint.

Behavioral interventions for children must ensure all children are treated with dignity and respect. This environment should allow all children to be free from physical or mental abuse, aversive behavioral interventions that compromise health and safety, and any physical seclusion or restraint imposed solely for purposes of discipline or convenience.

Seclusion or restraint shall not be used as routine school safety measures; that is, they shall not be implemented except in situations where a child's behavior or action poses imminent danger of physical harm to self or others and not as a routine strategy implemented to address instructional problems or inappropriate behavior (e.g., disrespect, noncompliance, insubordination, out of seat), as a means of coercion or retaliation, or as a convenience. Any use of either seclusion or restraint shall be supervised, short in duration and used only for the purposes of de-escalating the behavior.

CANCELLATIONS/DELAYS

Saint Elizabeth Ann Seton Catholic School will remain open as much as possible and provide each of our students with a sound educational program. It may become necessary to cancel school or delay its starting time because of inclement weather which may pose a health, and/or, safety factor for our students traveling to school. **Saint Elizabeth Ann Seton Catholic School will call its own weather delays and closings.** Listen to your local radio/TV stations for school cancellations or delays. Also, **be sure to sign-up for Flocknotes which is our texting service for the school. We will send a text if there is a delay or cancellation.** On very rare occasions, school may be dismissed early if inclement weather develops during the school day. The student should have an alternate plan so that he/she will be prepared as to where he/she should go if it is somewhere other than home. When school is cancelled, all activities and practices may also be cancelled.

If there is a two-hour delay, the Pre-School AM session will be from 10:00-12:00 and the PM Session will be from 12:55-2:55. **If there is a delay, there will be no Lunch Bunch.**

ACADEMIC POLICIES

EVALUATION

Progress reports are issued mid-way through each quarter for Grades K-8. Parents are required to sign these and return them to the homeroom teacher.

Report cards are issued four times during the year. Final report cards are mailed to the parent. All fees, tuition, and lunch charges, must be paid in order to receive report cards. Grades are determined by daily assignments, tests and participation in class as well as other teacher-set criteria. At the end of the year report cards can be withheld because of unpaid fines due to library fees, lunch charges, and unpaid tuition.

STUDENT-LED CONFERENCES

At the end of the first grading period and middle of the 3rd grade period, parents and child are invited to the school for Student-Led Conferences. Because Saint Elizabeth Ann Seton Catholic School feels that these conferences are important to the child, teacher and the parents/guardians, the report card will be sent home prior to the conference. Discussion between the parent/guardian, teacher and child is often helpful in determining the proper goals for the child. Teachers are available to meet with parents **by appointment**, but never during school hours when teachers are responsible for being with the children. Notes, e-mails, and phone calls are also ways that a student's progress may be reported or discussed. Interim evaluations are also used by some teachers at the midpoint of a nine-week period to inform parents/guardians and students of the performance and/or progress at that time.

In the Fall, our school will recognize the students who were on Honor Roll for all 4 quarters for the previous school year.

The parent can also choose an out of school suspension. The parent is responsible for their child during the time off for suspension. Any student receiving two (2) suspensions has the possibility of being expelled from Saint Elizabeth Ann Seton Catholic School.

During an in-school suspension, a student does not work on homework. A student works on reflection assignments as well as resource work. If an out of school suspension is chosen, homework can be found out during the next school day.

National Junior Honor Society - The National Junior Honor Society chapter of Saint Elizabeth Ann Seton Catholic School is a duly chartered and affiliate chapter of this prestigious national organization. Membership is open to those students who meet the required standards in five areas of evaluation: scholarship, leadership, service, citizenship, and character. Standards for selection are established by the national office of NJHS and have been revised to meet our local chapter needs. Students are selected to be members by a 5-member Faculty Council, appointed by the principal, which bestows this honor upon qualified students on behalf of the faculty of our school each year.

Student in the second semester of sixth grade or grades seven through eight are eligible for membership. For this scholarship criterion, a student must have a cumulative GPA of 10.0 on a 12 point scale. Those students who meet this criterion are invited to complete a Student Activity Information Form and application that provides the Faculty Council with information regarding the candidate's leadership and service. A history of leadership experiences and participation in school or community service is also required.

To evaluate a candidate's character, the Faculty Council uses two forms of input. First, school disciplinary records are reviewed. Second, members of the faculty are solicited for input regarding their professional reflections on a candidate's service activities, character, citizenship, and leadership. These forms and the Student Activity Information Forms are carefully reviewed by the Faculty Council to determine membership. A majority vote of the Council is necessary for selection. Candidates are notified regarding selection or nonselection in writing.

Following notification, a formal induction ceremony is held at the school to recognize all the newly selected members. Once inducted, new members are required to maintain the same level of performance (or better) in all five criteria that led to their selection. This obligation includes regular attendance at chapter meetings held monthly during the school year, and participating in individual and chapter services projects. Students or parents who have questions regarding the selection process or membership obligations can contact the school counselor.

VANDALISM

This school is parish property, and as such, it is in the best interest of all families to maintain it in excellent condition. We need the cooperation of all who use the facility, to respect and care for the buildings and the property on which the buildings are located. Care of personal property is an ever present problem, as sometimes it can be stolen, lost, damaged or misplaced. We expect each child to be responsible for his own belongings. Clothing, especially gym shoes, should be marked with the child's name.

Students in grades K-8 take the NWEA (Northwest Evaluation Association) Assessment. This assessment is taken three times a year and adapts to the student in real-time while he or she takes the test and can be administered online. The results provide rich insight into learning as it occurs.

All students in grades K-8 are assessed through Fountas and Pinnell, a Literacy Intervention Assessment. This test finds a reading level for the student. Our students have this **running record** assessment completed three times per year to monitor their success and growth.

Through RTI (Response To Intervention) Saint Elizabeth Ann Seton Catholic School monitors all our students academically and behaviorally. Every student has an RTI file and all classroom teachers assess students and monitor their RTI files. Teachers meet monthly to discuss effective strategies, ways to implement the strategies, and work on showing growth in students' scores.

K-8 students maintain their own data binders/folders. These documents contain students' data that are collected throughout the year. The data is shared in October and February at the Student-Led Conferences.

NON-CUSTODIAL PARENT

This school abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, a school will provide the non-custodial parent with access to the academic records and to the other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order. It is mandatory that divorced parents provide the school with a copy of the custody section of the divorce decree. This information will also help the school in determining when, if ever, the child can be released to the non-custodial parent.

DIRECTORY INFORMATION SHEET

An emergency information sheet for each child is kept in the school office. In case of change of address or telephone number, please notify the school office promptly.

HEALTH RECORDS

These are maintained by a Registered Nurse from Saint Elizabeth Ann Seton Catholic School. COMMUNICATION

Every week, the school office sends home a Wednesday Envelope which includes a newsletter, calendar, lunch menu, and other important information. All newsletters will be sent electronically for those families that have e-mails. For those families that do not have email addresses, the newsletter will be given to the oldest or youngest (at parent's request) child in each family. Parents will be notified by phone or note in case of academic or behavior problems in school. We also have a Journalism Club that will send home a newsletter periodically. This newsletter is created by our Journalism students.

While many families will receive the newsletter and important information electronically, all families will receive an actual Wednesday Envelope each week. We send some items home that cannot be sent electronically. We also can send your SCRIP purchases via the Wednesday Envelope. Family envelopes are to be returned the next school day. If School groups such as (HASA, School Board, Girl Scouts, Boy Scouts, Scrip, Athletic Association, etc.) wish to send home flyers, the office will need these copies by

Tuesday morning. Parents may also access the Wednesday Envelope via the school's web page at www.seascsfw-org.

Teachers may be phoned at school at 432-4001 between 7:20-7:35 AM. The school does not give out teachers' home phone numbers. It is recommended that a parent wishing to meet with a teacher arrange an appointment for the convenience of both. Parents should seek to resolve difficulties with a teacher before approaching the administrator. The administrator may be asked by either the parent or teacher to attend a conference. The principal welcomes parents' request for conferences. As far as possible these should be scheduled ahead of time. The principal and teachers will respond to each concern. Parents may communicate their concern by e-mail, letter, phone call, or conference. Parents will receive a copy of teacher e-mail addresses at the beginning of the year. We encourage parents to use the e-mail addresses. We take each concern seriously and will follow-up. Parents are not to go to a classroom during regular school hours 7:35 AM. - 3:15 PM., without seeking approval from the administrator or school secretary first. This does not apply to parents working as regularly scheduled teacher helpers. All visitors and volunteers must sign in at the school office.

ACCIDENTS

Accidents of any nature which may require completion of insurance forms must be reported to the office as soon as possible. Otherwise, the school will have difficulty verifying the claim. All students have diocesan insurance, while at school, which is paid through their book bill. It should be noted that according to the policy of the diocese, the parents' insurance is the primary pay in case of an accident at school.

If a child receives more than a minor injury at school, parents will be notified by phone as soon as possible.

LOST & FOUND

Students are responsible for all learning materials issued to them - texts, workbooks, library books. Payment is to be made for lost or damaged items.

Unclaimed clothing is placed in a "Lost & Found" box located by the Maintenance Room. Valuable items are kept in the office until identified. Periodically unclaimed clothing is set out at HASA meetings for parents to claim. It is recommended that parents put identification on children's clothing.

STUDENTS' PARTIES

If all students in the class are invited to a party, invitations may be passed out on school property. If all students are not invited to the party, invitations will not be passed out on school property.

MEDICATION

State law forbids a school from dispensing any medication. Since some children must receive their medication during the school day the following conditions are to be obeyed.

1. A diocesan form signed by parent/guardian stating:
 - a. the name of the medication
 - b. the exact dosage
 - c. the time it is to be given
 - d. permission to administer
2. The form and medication are brought to the office immediately upon the arrival of the student at school. It is the student's responsibility to return to the office at the proper time to take the medication and at the end of the day to pick it up to take it home.

Prescription medication must be accompanied by a Medical Consent form (obtained in the school office). Medication must be in the original container, with physician's signature.

TELEPHONE

Permission must be obtained to use the phone. Ordinarily the school secretary or nurse will call if a child is sick and needs to go home. Usually permission will be refused concerning calls for forgotten items. Students should make arrangements for rides and to have other students come home with them before they come to school, not by using the phone. Students will not be called to the phone except in case of emergency.

ELECTRONIC POLICY

Students are permitted to bring electronics to school and keep them off and in their lockers.

Electronics included in this policy are all types of cell phones, MP3 players (ipods), handheld video games, Nooks, and portable DVD players. Students may not use electronics while riding on the shuttle bus. **All parents and students will sign the Saint Elizabeth Ann Seton Catholic School Electronic Policy at the beginning of the school year.**

Students who are caught breaking the electronic policy for the first offense will have their electronic device taken away for one week, the second offense students will have their electronic device taken away for one month, on the third offense, the electronic device will be taken away until the end of the school year.

Electronics that are taken away from students will be stored in a secure location in the school office.

Parents will need to sign the Electronic Policy (including Remind 101) and return it to the school office by August 8, 2017.  - b. First in first out policy is followed.
 - c. The least toxic chemical that is still effective for the job is selected. (Material Safety Data Sheets are reviewed to make this determination). This includes selection of cleaning supplies as well as teaching tools for classrooms. Micro and green chemistry are encouraged.
 - d. This school will not purchase chemicals listed on the Banned Chemical List. (SCHOOL – PLEASE DETERMINE WHICH CHEMICALS YOU WILL NOT USE. i.e. MERCURY OR MERCURY CONTAINING PRODUCTS; CONSIDER LISTS OF CHEMICALS THAT MAY BE TOO HAZARDOUS)
2. Material Safety Data Sheets (MSDS) will be available at facility manager's office. The MSDS books are updated annually and as new chemicals are purchased.

REFUSAL TO PARTICIPATE IN DISCIPLINARY PROCEEDING

The failure or refusal of parents/guardians/custodians to participate in diocesan or school discipline proceedings concerning their student's improper behavior may be considered educational neglect and the child may be considered a "child in need of services" in accordance with I.C. 31-34-1-7 and, in that case, the matter shall be referred to the Child Protective Services Division of the Department of Public Welfare. (Diocesan Policy P4420)

ENROLLMENT

I. School Admissions Policy

Diocesan schools shall comply with state laws and regulations regarding school enrollment and attendance to the extent possible, as consistent with the teachings of the Catholic Church and diocesan policy.

II. Nondiscrimination Policy

Diocesan schools shall follow and promote an open enrollment policy accepting students without regard to race, color, gender, or national origin, and reasonably accommodate the disabled in its educational programs.

III. School Entrance Requirements

A child can be enrolled by a person having the legal custody of the child. A certified copy of the student's birth certificate or baptismal certificate shall be required for original entrance at all grade levels. Proof of legal custody may also be required in cases where a child does not reside with both natural parents.

If these required documents are not provided to the school within thirty (30) days of the student's enrollment or appear to be inaccurate or fraudulent, the school shall notify the Indiana Clearing House on Missing Children (See P4030) and will cooperate with local authorities if the child has been reported missing.

The custodial parent or legal guardian shall provide the name and address of the school last attended, if any. The school shall request the records from the last school attended within fourteen (14) days of enrollment.

Written proof that the child meets state and county health requirements (immunization record) for enrollment shall also be required.

IV. Kindergarten Waiver

Any child who attains the age of 5 before September 1st of a school year will be eligible to enter the Kindergarten program of the Catholic Schools of the Diocese of Ft. Wayne-South Bend. If the child is younger than 5 years of age and the child's birthday falls no later than September 1, of the applicable school year, the parent(s)/ guardian(s) wish to enroll the child in a diocesan kindergarten program, they may attempt to do so by making application to the local Catholic School. The appeal procedure will be handled in the following manner:

A. The custodial parent or legal guardian applying for a waiver to the Kindergarten Entrance Law, must complete a waiver form received from the local Catholic School. The parent/guardian must provide verification of the student's birth date and time. Questions for the preschool teacher's letter of review will be distributed to the parents when they initiate the waiver process.

B. The completed form and letter of review by the child's preschool teacher will be submitted to the local Catholic School Office no later than May 15 of the school year prior to the school year of the date of requested entrance.

C. Determination of early entrance will be decided by the local school principal based on the following:

1. Whether or not space is available in the kindergarten program at the school, which the child will attend.
2. Any and all information submitted by the parent(s)/guardian(s) of the child with the application.
3. A recommendation of the preschool teacher for the child's entrance. In case of a child who did not attend a preschool, the principal may require a conference with the kindergarten teacher, parent/guardian about whether early entrance is in the best interest of the child.
4. Administration of the Gesell Assessment of Developmental Readiness is optional for determining eligibility for an entrance waiver to kindergarten. In no case may the Gesell Assessment for Development be used as the sole determining factor for a decision about a waiver. Financial responsibility for the assessment is a local school decision.

NOTE: A child coming into a diocesan school from an out-of-state kindergarten program or an in-state kindergarten program and who does not meet the Indiana state age-eligibility requirement, should be admitted to a kindergarten program, unless it can be determined that enrollment in such a program was intended to circumvent Indiana law.

V. First Grade Entrance Requirements

A child entering the first grade must be six years old on or before September 1. The academic program of the Catholic schools is such that a waiver for age is not acceptable unless the child has demonstrated the successful completion of a kindergarten program.

Students enrolling in a diocesan school after successfully attending kindergarten in another accredited/recognized school that has different age requirements shall be allowed to continue in school without interruption because of chronological age.

VI. Children with Exceptional Educational Needs

Children with exceptional educational needs requiring special class placement are accepted if their needs can be reasonably accommodated in the school. Initial enrollment should be on a tentative basis with the understanding that in the event the exceptional needs of the child cannot be reasonably accommodated by the school, the custodial parents or guardians will agree to enroll their child in another school system which can accommodate the special needs of exceptional children.

Ordinarily when a diocesan school cannot reasonably accommodate the exceptional needs of a child, a recommendation for special class placement should be made to the custodial parent or guardian by the principal, after consultation with the child's teacher(s). This recommendation will be either for special class placement within the Catholic school or referral to a public school for evaluation placement. If the custodial parent or guardian does not accept the school's recommendation, it is expected that he/she will place the decision in writing. In some instances, the custodial parent or guardian will be required to withdraw the child if the child's continued presence, in the opinion of the school personnel, would pose an undue hardship on the operation of the school, or poses a threat or harm to the student, other students, or school personnel.

VII. Student or Prospective Students with Communicable Diseases

Catholic school shall comply with all applicable state law and all Board of Health policies regarding school enrollment and attendance in relation to a student or prospective student having a communicable disease.

Prospective students who meet all entrance requirements may not be denied admission solely on the basis of a diagnosis of a communicable disease unless required by applicable state law or board of health policy; similarly, student may not be excluded merely on the basis of a diagnosis of a communicable disease. However, as with a prospective student who is diagnosed as having or is suspected of having a communicable disease, a child with a communicable disease may be excluded, if after an individualized assessment of the child's condition, in accordance with the school's communicable disease

policy/procedure, it is determined that the child's presence in the classroom would expose others to significant health and safety risks.

Upon being informed that a child is diagnosed as having or is suspected of having a communicable disease, a review team consisting of the student; his/her parent/guardian; his/her physician; a physician representing the school, parish, or diocese; and school or parish administrators will be established to determine whether the child's admission or continued presence in the school would expose others to significant health and safety risks. In making the determination, the review team will conduct an assessment of the child's individual condition. The review team's inquiry will include findings of fact, based on reasonable medical judgments given the state of medical knowledge about

- A. the nature of the risk - how the disease is transmitted;
- B. the duration of the risk - how long the carrier is infectious;
- C. the severity of the risk - the potential harm to the third parties;
- D. the probabilities the disease will be transmitted and will cause varying degrees of harm; and
- E. whether a reasonable accommodation exists and/or is required.

The review team must also take into consideration the scope of the problem, education-related civil rights, and the students' rights to confidentiality.

The recommendation of the review team and the decision of the parish and school administrators shall be considered confidential and will be submitted for review only to the Superintendent of Schools, Vicar of Education, and diocesan attorney.

In the event it is determined that a child is unable to attend regular Catholic day school, the parish, school and diocese will assist the parent or guardian in locating alternative educational services and obtaining religious and catechetical instruction.

SCHOOL ATTENDANCE (P4040)

The diocesan schools consider the development of good attendance habits as a vital and desirable undertaking for two essential reasons. First, it is difficult for young people to learn if they are not in class; the teaching-learning process builds upon itself. Secondly, research shows that educational achievement is directly related to attendance. A student who misses a day of school misses a day of education that cannot be retrieved in its entirety.

I. Parent/Legal Guardian Responsibility

Parent/legal guardians are responsible for having their children in public or private school from the age of seven (7) until the date on which the child:

- A. Graduates
- B. Reaches at least sixteen (16) years of age or less than eighteen (18) years of age and;
 - 1. the student and the student's parent or guardian and the principal agree to the withdrawal; and
 - 2. at the exit interview the student provides written acknowledgment of the withdrawal and the student's parent or guardian and the school principal each provide written consent of the student to withdraw from school.
- 3. reaches the age of eighteen (18)

Absences from school shall fall into one of the three following categories:

 - 3. Court appearance pursuant to a subpoena;
 - 4. Active duty with the Indiana National Guard for not more than ten (10) days in a school year;
 - 5. Placement in a short-term inpatient treatment program which provides an instructional program;
 - 6. Homebound instruction;
 - 7. Religious observances; and/or

8. For high school students, serving on the state standards task force. The student must provide a written verification from the chairman of the task force indicating the date and times the student was to be in attendance at the meeting and verifying the student's attendance.

B. Excused Absences

1. Illness of the student (with written statement by parent/guardian or doctor)
2. Funerals
 - a. for the death in the immediate family
 - b. for persons outside the immediate family with parental permission
3. Out-of-School suspension (Make-up work is NOT accepted)
4. Medical and legal appointment - such appointment should be scheduled after school hours when possible.
5. School/college visits (2) - parents need to check with the individual school's policy for arranging such visits.
6. Prearranged activity approved by the principal.

C. Unexcused Absences

1. No parent contact with the school giving an explanation for the absence on the day of the absence.
2. No physician note to excuse an absence once more than 5 days of absence have occurred (see frequent of prolonged illness below).
3. Family Vacations
4. Absences other than defined as excused or absences counted as present.
5. Students with unexcused absences will not be allowed to make-up assigned work.

III. Truancy

A student is truant when she/he is absent from school or class without the permission of his/her parent or guardian and the school. Students who are habitually truant shall be reported to the juvenile authorities in accordance with the applicable state law and following diocesan procedures.

Habitual Truancy may be evidenced by the following:

- A. Refusal to attend school in defiance of parent authority.
- B. Accumulating a number of absences from school without justification over a period of time, such as a grading period. Habitual truancy is not evidenced by a single isolated incident of unexcused absence.
- C. Three (3) or more judicial findings of truancy.

IV. Reporting an Absence

A parent/guardian shall contact the school to report a student's absence. Each school has established procedures for reporting absences. Absences will not be excused and the student may be considered truant if the procedure for reporting an absence is not followed.

A written explanation for any absence and signed by the custodial parent/guardian is required upon the return of the student to school. The school is not required to provide credit for makeup of assigned work missed because the student's absence is unexcused or the student is truant.

V. Frequent or Prolonged Illness

If a student is absent for five consecutive days due to illness, or has contracted a contagious disease, a physician's statement may be required in order for the student to return to school.

VI. Response to Irregular Attendance

If an irregular attendance pattern begins to develop, the school may use the following procedure to encourage the student's return to a pattern of regular school attendance.

- A. Call daily from school (secretary, principal, or attendance clerk), to parent/guardian to verify absence and to determine reason.
- B. After a student is absent 6 days per school year, a school administrator, attendance clerk, or counselor will make contact with the student's parent/guardian. The date and content of this contact shall be documented.

C. After a student is absent over 12 days per school year, a conference shall be held with the parent/guardian and the student. An attendance contract may be established at this time and documentation shall be kept.

D. After a student is absent over 15 days per school year, a referral shall be made by the principal. If the principal is unable to successfully resolve the attendance problem, a referral may be made to the intake officer or the local Juvenile Probation Department or SOCAP.

I. The grounds for suspension or expulsion below apply to student conduct which occurs:

- A. On school grounds;

TELECOMMUNICATIONS USE AGREEMENT

Telecommunications Use Agreement

Adapted from NCEA's From the Chalkboard to the Chatroom.

As a computer user, I agree to follow the rules and code of ethics in all of my work with computers while attending Saint Elizabeth Ann Seton Catholic School:

1. I recognize that all computer users have the same right to use the equipment; therefore, I will not use the computer resources for non-academic purposes. I will not waste or take supplies such as paper, printer cartridges, and discs that are provided by the school. When I am in the computer lab, I will talk softly and work in ways that will not disturb other users. I will keep my computer work area clean and will not eat or drink in the computer lab.
2. I recognize that software is protected by copyright laws; therefore, I will not make unauthorized copies of software and I will not give, lend, or sell copies of software to others. I understand that I will not be allowed to bring software applications, games, or CD-ROMs from home to be used on school equipment without proof of licensure and prior approval of appropriate school personnel.
3. I recognize that the work of all users is valuable; therefore, I will protect the privacy of others by not trying to learn their password; I will not copy, change, read, or use files from another user without prior permission from that user; I will not attempt to gain unauthorized access to system programs for computer equipment; I will not use computer systems to disturb or harass other computer users or use inappropriate language in my communications.

I will honor my school's procedures for the storage of information. I realize that after prior notice has been given to me, files may be deleted from the system to protect the integrity of the network or because of space limitations on the computer's hard drive.

4. Each student who received Internet access will be instructed in the proper use of the network. The use of the Internet must be in support of education and research consistent with the educational objectives of the school. Students using network or computing resources must comply with the appropriate rules for that network or resource.

As a user of a network, I will not use bulletin boards or chat lines for personal use. In addition, I will not reveal my personal information, home address, or personal phone number or those of students, teachers, or other staff members. Transmission of any material in violation of any U.S. or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secret. The use of school computers and networking resources for commercial activities is not permitted. Their use for product advertisement or political lobbying is also prohibited.

5. Parents must realize that their students may encounter material on a network/bulletin board that they do not consider appropriate (vulgar jokes, statements of belief that some might consider immoral, etc.) The student is responsible for not pursuing material that could be considered offensive.

6. The use of the computer is a privilege, not a right, and inappropriate use will result in the cancellation of these privileges. Vandalism or intentional modification of system settings will result in cancellation of privileges and/or school disciplinary action. The school reserves the right to seek financial restitution for any damage caused by a student or other user. The system administrators will deem what is inappropriate use, and their decision is final. The administration, faculty, and staff of the school may request that the system administrator deny, revoke, or suspend specific user privileges. Violations of the rules and code of ethics described above will be dealt with seriously.
