

Easter Baskets

By loving one another in our works, we bring an increase in grace and a growth in divine love.
-Saint Teresa of Calcutta-

In the past, National Junior Honor Society has collected items to make Easter baskets for the children and youth of Vincent House. Last year, we reached out to the elderly in our community and we would like to continue to brighten their Easter season by sending baskets again this year. We can only do this with your help!

By filling baskets with candy, books, and other goodies, we hope to spread the love of Christ during this very important season. As Jesus calls us to Almsgiving, we are hopeful that you will help us provide the goods to spread the love.

Each grade level will be given a category of items to provide. Items will be collected in the atrium from **March 12th – March 16th**. Please see the attached page listing the items assigned to each grade level as well as a list of suggested items to send in.

Once all items have been collected, the baskets will be assembled in an equitable manner assuring that each resident gets a nice Easter basket.

Thank you very much for your support of this project!
