Pursuing a career as a performing musician in restaurants?
Many artists have been in that fortunate position of “*getting gigs*”
but have not been prepared or positioned to make the most of it.

Elizabeth Friedman, MBA, of Green Room Artist Development, LLC will
partner with ***CLFCR*** to provide an overview of the strategic planning and
activities necessary to obtain success as a performing musician in restaurants.

The Community Loan Fund of the Capital Region is a non-profit community development financial institution serving the Capital Region of New York State -- Albany, Columbia, Fulton, Greene, Montgomery, Rensselaer, Saratoga, Schenectady, Schoharie, Warren & Washington Counties.

Incorporated in 1985, we provide access to capital by pooling investments and donations from socially concerned individuals and organizations, and re-lending it to non-profit organizations, micro enterprises and small businesses, and individuals for home ownership and repair. We provide training and technical assistance as well. The Community Loan Fund also manages the Albany Center for Economic Success, a small business incubator, resource center and community development facility.
