

# TERRAVITA ART LEAGUE MISSION

*The sharing of broad-based cultural experiences  
with ART-loving friends and neighbors.*

The Terravita Art League (TAL) was founded in 1998 by a small group of residents. Our purpose is to bring to the community a strong basis for fostering both creativity and a love for the arts among residents and TAL members who share the same passion.

Our values are inspiration, inclusiveness, individualism, all imbued with a sense of place: our beautiful community, Terravita.

## JOIN US!

The newly renovated Desert Pavilion is the center and heartbeat of our art-related activities and where the stimulation of member talents, experience and backgrounds network to enliven the arts within our community.
