

CONGREGATION SHA'ARAY SHALOM

Naming Shabbat

There are many reasons why a Jew may not have a Hebrew name.

Perhaps you never received a Hebrew name or you simply don't remember your Hebrew name and have no way to retrieve it. Perhaps circumstances were such that you were not able to give your child a Hebrew name and you would like to now.

Whatever your reason, now is the time to celebrate with family and friends and receive a Hebrew name.

On Friday evening, March 17th at 10:30am, as part of our Shabbat service we will be bestowing Hebrew Names on all our members or their children who wish to and are eligible to receive one.

March 17, 2018 | Saturday at 10:30am

Jewish tradition teaches that our name is like a window to our soul. Our Hebrew names connect us with our Jewish past, link us to relatives who have died or exemplifies qualities our parents wanted us to embrace. It is never too late to acquire a Hebrew name and reaffirm one's link to the tradition of our ancestors.

In order to receive a Hebrew name, please contact the temple office, so that we can assist you in choosing a name and fill out the appropriate naming certificate. We look forward to sharing this special Shabbat with all of you as we continue to remember our past and forge new links to our future. Come share this reaffirmation with our congregational family.
